

Queen Anne High School Class – 1957 60th Reunion!

Hey Grizzlies!

We are looking for our fellow Grizzly classmates to join in celebrating our 60th year reunion from dear old Queen Anne High School. The celebration party will be at Rays Boathouse in the Northwest Room on **Saturday, June 24, 2017** at 5:00 pm, ending around 10:00 pm. The Northwest Room is a great party venue with a big deck overlooking Shilshole Bay, weekend boaters travelling by and a view of the Olympic Mountains. (Address: 6049 Seaview Ave NW, Seattle, WA 98107)

The party will include a short program, buffet and entertainment and lots of fun and laughter getting re-acquainted with our classmates. The Q.A Alumni Association will be on site displaying hats, shirts and other memorabilia for sale. The party is \$65 per person. We plan to provide a program handout for the event which will include a current directory of our classmates as we know it. Our next communication will be via e-mail, so please let us know if you have any changes to your e-mail, as well as address, or telephone information. We are hoping for a GREAT turnout. Please send your reservation confirmation and any information changes to Janet (Hannon) Mutter ASAP: 193 SE Totten Shores Drive, Shelton, WA 98584. Don't hesitate to call a committee member if you have any questions. Please bring any memorabilia you may want to share! The committee hopes to see you there!
