Thelma Marie Chisholm

Our Miss Chisholm

By Barbara (Wilson) Nelson, '58
barnell@aol.com

Educator, advisor, mentor, she made life-long positive impressions on all us girls at QAHS from 1937 to her retirement in 1969. She died March 23 of heart failure at age 96. Her service was held at Horizon House, her home the past 15 years.

Miss Chisholm served as Debate Coach, Language Arts Teacher and Girls Advisor at Queen Anne for 32 years. She helped institute "Middy Days". We girls wore sailor blouses and many of us remember making matching collars and cuffs of bright prints to relieve the same old regulation navy blue ones. Many of us remained in contact with her after graduation. We will miss her smile, her dignity, her caring, her wonderful

Seventeen Scholarships Awarded This Year!

We were able to award a record number of scholarships this year due to the exceptional generosity of reunion groups, nine individual scholarship donations and the collective donations of many alumni.

Fifty-five requests for forms were received with thirty-eight returned as applications. The scholarship selection committee then had the difficult task of selecting the top seventeen.

It should be noted that three vocational scholarships were available this year but no vocational applications were received. Two from the class of '49 and one from the Alumni Association will be available again next year.

Scholarships were donated by the following alumni or alumni groups: Ray Carlson, '37; Dennis Helmick, '62; Charlotte (Quash) Higgens, '37; Christine (Madsen) Hynes, '31, (two); Douglas Lorentz, '72; Kerry McMahan, '54; Fred Milkie, '34; Jim Rafferty, '45; Class of 1949 (five); Class of 1972 and five from the collective scholarship fund contributions of many alumni. See pages 10, 11 and 13 for recipients accomplishments and photos.

PICNIC

August 20th

By Bill Tobin, '46

QA alums will gather at Magnolia Park August 20th for the seventh annual All Alumni Picnic. As in the past, the picnic is planned as a "bring your own basket" affair with the Alumni Association providing hot dogs, buns and soft drinks. Please note that Park Department regulations prohibit beer and other alcoholic beverages in the park.

QA logo merchandise will be available for sale and a raffle is planned.

Two classes are planning reunion gatherings at the picnic. They are the classes of 1935 and 1940. They both hope for a good turnout of their classmates.

The picnic starts at 11:30 AM and lasts until 6:00 PM. Magnolia Park is located at 31st Ave. W. and W. Galer, about six blocks from the top of the Magnolia Bridge.

Millennium Annual Queen Anne Banquet

By Dennis Helmick, '62

The First Annual Queen Anne Banquet of the new Millennium or the Last Annual Queen Anne Banquet of the old Millennium (depending on your viewpoint) will be held **Saturday, October 14, 2000 from 5 to 8:30 P.M.** at the **Yankee Grill** (ex Diner) located on the canal at 5300 24th Avenue in the Ballard neighborhood of Seattle.

The "Millennium" Banquet offers views of Salmon Bay, excellent dining, exciting raffle prizes, and fun music and dancing. In other words, the Banquet will be a Great Grizzly Gathering.

Who's News in 2000

By John Hennes, '51, email: jhennes@nwnexus.com , 206-284-2266

Who's News items come from all over-newspapers, letters, magazines, etc. We can't find all the news without you. If you have news of Grizzlies, **please** jot them down, or clip them out, and **send them to:** KUAY Editor, QA Alumni Assoc., PO Box 9128, Seattle, WA 98109. Photos are especially wanted.

'10s and '20s

We were surprised to find there is a Queen Anne connection to the richest man in the world, Bill Gates. His paternal grandmother, **Lillian (Rice) Gates, '10**, and great uncle, **Kenneth Rice, '25**, were both Queen Anne graduates.

Elsie-Jane (Hadley) Donnelly, '26, writes from The Sequoias, a Presbyterian retirement home in San Francisco, about two other accomplished classmates living there. **Lorna Logan, '26**, went to San Francisco in 1931 and has spent her life working with Chinese immigrants in that city. She recently received the Jenkins Award for Services to Older Persons for her years of service, her sense of justice and her long history of social responsibility. **Rev. Frederick McDonald, '26**, was chaplain to General Omar Bradley during WWII and during his travels he began collecting shards of stained glass windows from cathedrals, churches and temples destroyed by the war's random violence. Recently, the numerous glass fragments have been recreated into 25 to 30 small stained glass windows, each identified as to what sanctuary the shards came from. The windows will be in the newly renovated Main Post Chapel in the Presidio, now part of the Golden Gate National Recreation Area. (Author's Note: The three Grizzlies above are now in their early 90s. As with most of our Who's Newsers, this brief note does not do justice to their life stories and accomplishments.)

Bill Holm, '28, has sent some notes from Vancouver, WA about his life. He graduated from the UW in 1932 with an Accounting degree, but no job. He found work in Oregon and eventually joined with Arthur Young & Co. (now Ernst & Young) and retired in 1972 as managing partner. He and his wife are active Belleek collectors and have formed a collectors' chapter in the Portland area, one of the largest in the world.

'30s and '40s

Longevity is the story for **Claude and Clamara (Skaw) Hobson, both '36**, who celebrated their 60th wedding anniversary June 1. Claude is retired from the Seattle School District. Their children, **Gail Martini-Peterson, '62**, **Joan Hurley, '65**, and **Irene Michel, '66**, helped with the large family celebration.

Bob Hoxsey, '37, sent a note and a contribution from Wenatchee as a remembrance for his fellow Boy Scout Troop 65 mates, **Paul Schaffrath, '35**, and **Herb Munter, '38**. Both of them perished while flying during WWII.

Last issue's story on "Five Grizzlies Make UW Top 100" brought in a letter from **Don Millikan, '40**. He noted that the story mentioned **Bob Houbregs, '49**, leading the UW team to its only NCAA Final Four appearance in 1953. Don, however, who played on Husky teams with Jack Nichols and Sam White, recollected that his 1948 team went to the final four. A check with the UW Sports Information office revealed that the Art McClarney coached 1948 team went, not to the national Final Four tournament, but to the Western Regionals, losing to Baylor in the opening game and beating Wyoming, for third place. A worthy accomplishment for any team.

Kirby Nunn, '40, has surfaced in Tucson, wondering if anyone remembers he and Dorothy Short in "Naughty Marietta"? He can be reached at email: kirglo@aol.com

A note from **Charlotte (Larson) Larsgaard, '41**, (on the left) describes how she and **Eileen (Lindquist) Ulberg, '41** (on the right) were among the students from the north end that were bussed to Queen Anne during those years (roughly 1938-43). Four years of bus rides led to a lifetime of friendship. Eileen was the artist for the 1941 annual.

Patsy (Barrett) Harrah, '44, sent a Sept. 27, 1944 KUAY Weekly for the

archives. She notes of the alumni Kuay: "It's my favorite newspaper (being an editor of the KUAY way back in 1943-44, I'm prejudiced!). The yellowing 1944 paper reveals that Jr. Red Cross Christmas boxes are being prepared to send overseas. The KUAY has received the "coveted" Gallup Award, two more Grizzlies have been killed in action (56 gold stars so far), Big Bill Simmons has been chosen Yell King and Hank Ketcham, '37, has started having his "Half-Hitch" cartoons run in the Saturday Evening Post.

Bettie Louise (Johnson) Wilmoth, '44, writes to clarify her name spelling. There were three Betty Johnsons in school when she started. She has been living in Fresno, CA since 1948, widowed in 1994, and has long been involved in collecting dolls and hand-painted porcelains.

Thor Chellstorp, '48, has retired from Fluke Corp. and now lives on the North Umpqua River near Roseburg, OR. Through the Alumni Assoc. he was able to renew contact with **Larry Casler, '48**, who followed an illustrious career on the KUAY ("Make Merry with Larry") with an illustrious career in psychology (Ph.D. from Columbia, lecturer, consultant and professor).

Thelma (Knox) Beck, '49, writes from Oxnard, CA about other Grizzlies in the entertainment world. She points out that **Rod Gibbons, '67**, who was in the senior play, went on to New York for several off-Broadway shows and has many appearances in commercials and soap operas. He lives in Alameda, CA

'50s and '60s

Bill Westbo, '51 has been "found" in Laguna Niguel, CA, where he lives after retiring from Costco. Like many "missing" Grizzlies he had not been in touch with any classmates and had no idea there was an alumni association. *Moral: keep in touch, talk to your friends.*

1952 grad, Gary E. Striker, is a professor of medicine at the University of Miami School of Medicine. He is also presently Director of the Diabetes, Endocrinology and Metabolism Division. He has just been given the job of Associate Dean for Research for the Medical School.

Bob Hellenthal, '57, has lived all over the west and the south as part of his work

in the building materials industry. He now lives near Jackson, Miss. and hopes he will get to his next class reunion.

Colorado is home to **Romayne Carol (Swanson) Shovein, '59**. They live in Ft. Collins and have a small consulting business. She observes, "I do miss Ivar's and the smell of salt water. Sunshine makes up for it though!"

1960 grad, Janet (Little) Warrick, retired from US West Communications as a Marketing Manager and went to work in Olympia for three years, which she says were, "the most fascinating years of my career." Janet and her family live in Bothell, WA. Her favorite teachers were Miss Simondet (English) and Mr. Hailey (History).

Another Grizzly has achieved great success in our nation's armed services as **Peter W. Chiarelli, '68**, was promoted to U.S. Army brigadier general last September. Brig. Gen. Chiarelli received his one-star insignia in a ceremony at the Supreme Headquarters Allied Powers, Europe (SHAPE). Chiarelli graduated from Seattle University in 1974 and has master's degrees from the University of Washington and Salve Regina University in Newport, RI. He is in the Armor branch of the Army, which also was the branch of his father, retired Major Peter F. Chiarelli, who served under Gen. George S. Patton in WWII.

The Navy is represented by **Captain Leroy (Roy) Chapple, '67**, who received his captaincy in 1992. In addition to various sea command positions he has also served in the Politico-Military Branch of the Navy. He is currently Chief of Staff of the Naval Surface Group, Pacific Northwest. His wife is also a Grizzly, **Margaret (Baird) Chapple, '67**.

Rolling along is **Dianne (Meredith) Best-Wildermuth, '61**, who has won numerous roller skating gold medals and championship titles. With her skating partner, Dale Mohler, Franklin '55, she has won titles in Masters Dance and Esquire Dance and is currently Northwest Regional Champion in Veteran's Team Dance. They have competed all over the country and also abroad. Diane can be reached at

dbestrollersk8er@juno.com.

A college grad at last, **Sally (Bykerk) Brown, '64**, received her BA from WSU this spring. She has lived in the Skagit Valley area since 1977. She has fond memories of the "Thunderbird Lounge" at school, dances in the Space Needle, Ft. Lawton and the Swedish Club.

'70s and '80s

A civilian at last, **Bruce C. Lougheed**,

Simkins, '49, Has Counseled Generations at U. of W.

By John Hennes, '51

After 38 years of providing academic counseling to undergraduate students at the University of Washington, Richard Simkins, '49, officially retired this year. During his long tenure the office has grown from part-time jobs by graduate students to full-time professional staffs advising half of the university's 25,000 undergraduate students.

Dick, whose title is Director of Academic Counseling, joined the Undergraduate Advising Center in 1962, while still a graduate student in political science, working for Political Science Professor Walter Riley. He became director of the office in 1970. The entire office recently moved into the new Mary Gates Hall at the university.

Simkins noted that students today have similar developmental issues to students of yesterday, but they live in a different world. He observed that students today are sometimes involved in too many things and don't see college as a time to really immerse themselves and try to develop their basic abilities.

After high school, Simkins went to the UW, graduating in 1953, and then served two years as an Army Lt. in Transportation. He observed his good luck by going on active duty the day the Korean cease-fire was signed. At Queen Anne, Dick recalls some of the colorful teachers such as Effie Spence, who

'76, retired from the Army in March and joined the job-hunting civilian corps. He went from Sergeant First Class to Mr. He still lives and works in Alaska.

Dan Baumgartner, '77, has gone full circle. With a UW finance degree, he went to work for an auto parts company. In 1993, Dan and his wife, **Anne (Harris), '77**, heard God's calling, sold everything in Seattle, and crossed the country to Princeton Seminary in New Jersey. With his new credentials, he served his church for three years in Minneapolis. Last summer he was invited to serve as pastor of Queen Anne Bethany Presbyterian Church. His friends and family, especially his brother **Steve, '74**, and Steve's wife **Jane (Northey), '74**, are happy to have him back home on Queen Anne.

would halt chattering students in her typing class by whacking her blackboard pointer onto her desk, making a crack that would stop everybody in mid-keystroke. He recalled Maude Drake fondly for her U.S. History class and noted that Charles Foster talked mostly about his goat farm.

Simkins has lived on Queen Anne hill for the last twenty years and has been an active participant in Elderhostel programs in his off time. Although he is officially retiring this summer, Dick, who is 69, will return to the UW this fall as a part-time administrator working on curriculum and academic standards.

reports on two Kuay grads who've hung together since they were five years old. Sarah and **Tamar Shdo, '75**, are still the best of friends. Sarah lives on San Juan Island where she and her family have a small farm. She teaches and rides Sport horses in Dressage and Jumping, gardens and sings Renaissance music. Tamar lives on Queen Anne, has three teenage sons and works as a graphic designer.

The President's Corner

By Bill Tobin, '46

Outdoor Activities we encourage you to attend are:

The Magnolia Festival which will be held July 28, 29 and 30 in the middle of W. McGraw Street in the Village. Your Alumni Association will have a booth there to display old annuals and Kuays, plus there will be logo merchandise for sale.

Then the **Alumni Association Picnic** will be held in Magnolia Park Sunday, August 20th, and that is always a fun event. We urge you to come out and take part in some of the events. You will find them enjoyable and you'll be surprised at the number of old friends you might see.

Computers

A new desktop computer was recently acquired, at an excellent price, for the membership database. A notebook computer was acquired last year to house the financial database and a copy of the membership database.

This has allowed us to modernize to a Windows '98 environment as well as provide mobility for future maintainers of these records. Backups from both computers are maintained elsewhere. **Try our new website.**

www.qagrizzlies.org

It's brand new and should be operational by the time this issue is mailed. We can't tell you much about it yet but it should improve our ability to communicate with you more frequently.

It could become the perfect place to offer our alumni email list for your use. Refer questions or suggestions to edb@nwprintbrokers.com. **That's Ed Bol, '81.**

The Association would like to promote more activities in future years but we need more participation from alumni members who have not yet become involved. We would be very happy to have the participation of more from the the classes of the '60s and '70s but we welcome ideas from all.

Korean War Vets Recognized

The 50th anniversary of the start of the Korean War was observed in June. At Fort Lawton, **retired Major General Clyde Cherberg, '48**, participated with the 70th Regional Support Command in a ceremony honoring local Korean War veterans of all services. **Bill Tobin, '46** is shown receiving his medal from **General Cherberg. Richard Kyle, '47, and Bob Shyvers, '48**, were also among those honored.

Caesar Salad, Dinner Rolls with Butter, Fresh Garden Vegetables, Regular and Decaf Coffee or Tea, and Apple Crisp for dessert round out the menu.

Complimentary carafes of wine donated by individual Alumni Association Board Members will grace each table. A no host bar will offer additional beverage choices.

A professional D.J. will be spinning grads' favorite music from the 30s, 40s, 50s, 60s, 70s, and early 80s throughout the evening. From Swing to Rock and Roll, the varied music will be sure to please grads' listening and dancing needs.

A short Alumni Association meeting and board election will be conducted during the evening. Honored guests will include former faculty members.

For Grizzlies who feel lucky there will be ample chances to have their raffle tickets drawn for great prizes.

A TICKET TO THIS GREAT PARTY ONLY COSTS \$28.00.

Alumni are urged to make their reservations early for the Grizzly Millennium Party. Use the reservation form on page 15.

Volunteer forgotten

By Hal Will, '44

In the February issue, an article listed many volunteers who's efforts keep the Alumni Association projects going. As editor, I failed to add the name of **Linda (Ellis) Lee, '58**, who spent many hours maintaining our alumni computer database during an extended period when Betty Mead was having health problems.

I was the one most familiar with Linda's contribution and should have ensured that her contribution was recognized with others in the last issue.

I'm very sorry, Linda.

Fifties Men's Luncheon

By Kim Turner, '61
kturner@spl.org

Had Dwight Hawkes not gathered together that first group in 1973 to share the memories of a recently deceased friend and classmate, George Varver, would the 50s Men's Luncheon have materialized? I would hope so, as the last two years' affairs have given me a greater respect for those who pull together this type of low-key celebration.

Always held on the last Tuesday in December, the large number of attendees on 28 Dec. 1999 included members of QA classes from 1936 onward. Dwight presided over the affair, attended by four former QA coaches, Walt Bone, Walt Milroy, Ray Normile, and Chuck Tarbox. Edo Vanni showed up, QA '37, one of whose pictures graced the recent P-I Photo exhibit at the Museum of History and Industry.

The luncheon, held at Rock Salt Steak House, formerly Latitude 47, at 1242 Westlake Ave. N. was a convenient venue for the promulgation of several ideas. Several of the luncheon members have formed a committee to establish a student-athlete scholarship for descendants of Queen Anne graduates. They will be working through the John Stanford Foundation, part of the Seattle Alliance for Education. The scholarship, yet to be defined, will be awarded to student-athletes who will be attending non-Division I colleges, who therefore would NOT have athletic scholarships available to them. Funding for the scholarships will be by individual or corporate donations and by funds raised at informal golf tournaments to be held in coming years. (see below) For more information, contact **Dwight Hawkes at (425)-485-5665.**

Coach Normile was accompanied by both his son and grandson. Ad Sewell, former Young Life advisor at Queen Anne, gave an invocation.

The December 2000 50s Men's luncheon will be held Tuesday, Dec. 26th at the same location, Rock Salt Steak House, 1242 Westlake Ave. N.

Chuck Tarbox, '56, discusses new and old days with Jim Suzuki, '54. at the December, 1999 luncheon. Tarbox coached football for 37 years before retiring in 1998.

Six Grizzlies, Not Five, Make UW Top 100

By John Hennes, '51

In the February, 2000 Kuay we carried a story on the noteworthy achievement of five Queen Anne grads having made the Top 100 list for notable University of Washington graduates of the Twentieth Century. The list, compiled by the UW Alumni Association, was printed in the December, 1999 Columns magazine.

Alas, your bumbling (er, humbling) scribe overlooked a sixth Grizzly on the list, William (Bill) Dwyer, '46. We have even carried a story on Judge Dwyer in the Kuay (Aug. 1992) and should have spotted this. Fortunately, **Bob Patton, '47,** brought our omission to our attention. The inclusion of Dwyer gives Queen Anne a remarkable six-percent of the UW Alumni of the Century.

William Dwyer, '46. The notable U.S. District Judge began his career at Interbay, Coe and West Queen Anne grade schools. He graduated from Queen Anne in 1946 and the University of Washington in 1951. Judge Dwyer's landmark 1991 decision to stop logging on federal lands to protect the spotted owl has transformed northwest land use. A 1990 decision found the Metro Council structure unconstitutional, violating the one-man, one-vote requirement. After years of service Dwyer recently retired from the bench.

Class Reps Needed

A few Queen Anne classes have volunteer representatives who keep the Alumni Association and their class members informed of address changes, illnesses and deaths as well as more cheerful news.

A good example is **Terry Howard, '52,** who is retired from the Boeing Company, lives in Seattle and enjoys his retirement. He has written several books on the genealogy of various families and is an active representative for his class.

Class Reps with email capability are great communication hubs for their class members. Those who have e-mail help spread the word to those that don't.

Your Alumni Association would like to hear from interested volunteers.

Class of '51 On Track for 50th in 2001

By John Hennes, '51

It may not be a space odyssey, but 2001 will see an odyssey by the far-flung members of our Class of '51 as they gather next June for their golden anniversary. **The weekend of June 22-24, 2001** has been chosen and classmates are urged to arrange their schedules to be in Seattle for this grand and heartwarming 50th Reunion.

Planning meetings started in April, but details are still being worked out for a main event on Saturday night at The College Club and other events on Friday and Sunday. The detailed arrangements will be handled by the Reunions With Class Company (1-800-954-1044). Already we are finding such "long-lost" class members as Roy DeSelms, Victor Westphal and Jackie Sullivan Hedlund.

Grizzly Yearbook Collection Still Needs Help

As part of our purpose to preserve and maintain the history and role of Queen Anne High School in the community, the Alumni Association has built a collection of Grizzly annuals for our archives. These annuals cover the years from 1910 through 1981, when Queen Anne closed.

At present, we have one complete set, with the exception of missing volumes for 1973, '75, '76 and '77. For some reason, the 1970s seem to have fewer copies printed and few are turning up in yard sales or bookstores. This is our master set of books, for use in research and for permanent archives.

We have a second "working" set of yearbooks which is missing 15 years: 1916, '40, '46, '49, '56, '69, '70, '71, '72, '73, '75, '76, '77, '80 and '81. This working set is available for loan-out for reunions or alumni events.

Beyond these sets we have a number of additional copies of scattered years. Some of these we plan to donate to the Seattle Public Library to help fill in their collection of Queen Anne annuals. We hope thereby to insure that at least some copies of our history will be available to the public as the decades pass.

If you can donate or help find the missing years in either the master or the working set, as listed above in boldface, please call or write to **John Hennes** at the Association address, or reach him directly at tel. **206-284-2266, email: jhennes@nwnexus.com**. Surplus yearbooks for other years are also wanted, if you have copies to donate.

With your help we will build a permanent record of Queen Anne's 72 years.

The milestone 20th is going to be a weekend of nostalgia and fun for Class of '80 grads. Saturday, Sept. 23, the evening will kick off with tours of the old school building at 5 p.m. The gym opens at 6:30 p.m. for a social hour and class photo, with elegant buffet dinner served at 8 p.m. Hosted by Al Yalowicki in a leisure suit, a great program is planned to follow, to include showing the original commencement slideshow with the 1980 soundtrack (yes, we found the soundtrack!). DJ music from the '70s and '80s will follow until midnight. Tickets are \$69 per person, and parking is free (deja vu!). Dress is both formal and casual -- wear your a) best b) most comfortable c) fancy d) casual.

Grads from the classes of '79 and '81 are invited to join the Class of '80 at the family picnic, Sunday, Sept. 24 at Gas Works Park, Shelter 2, 11 a.m. - 3 p.m. This is for the entire family -- just bring your own picnic!

Grizzly Angels

Each year the legacy of Queen Anne High School is expressed in part by the Alumni Scholarship Program. An ongoing effort to provide scholarships for Grizzly descendants today and to provide a permanent fund for scholarships in the future. The contributions of our many Angels is what fuels the Queen Anne legacy. Most gifts to the Association are modest and all contributors are listed in the Angel list. A few grads and some of the reunion classes have pondered the value of our scholarship activities and chosen to give substantially larger amounts. These provide a significant boost and are most appreciated. Note: an asterisk (*) after a donor's name indicates that scholarship use was specified.

Thank You Grizzly Angels

The Popular Spring Luncheon

By Kim Turner, '61

Seventy-nine cheerful Grizzlies, their mates and close friends gathered for the spring luncheon at the Swedish Club May 6th. The weather was pleasant, the food tasty, and the raffle truly delightful (says at least one winner). Attendance covered the classes from 1921 through 1981, but few from the 1960s and 1970s. We hope to draw many more at the fall banquet, particularly among the younger alums.

Raffle baskets were won by Pat (Cunningham) Tewksbury, '44; Bonnie (MacPherson) Peterson, '36; Cynthia (Horn) Callison, '23; Robert Ohlen, '64; Kim Turner, '61; John T. Berry, '36 and a grad from Oregon won the seventh basket. All baskets were donated by Alumni Association board members.

Those who were Warren Avenue School students were asked for their possible participation in a Warren get-together this summer. Sidney (Turner) Noel is facilitating this and can be reached at 425-337-1543 or sidnoel@juno.com.

Clarence Boyd, '36, Ray Carlson, '37, Norm Nicklen, '37, Bill Sears, '43, and Edo Vanni, '37, enjoying QA memories.

Clarence Boyd, '36, is enjoying the company of Ruth (Gove) Herr, '36, and Ruth (DeJong) Richstad, '35.

An active alumni couple, Don, '46, and Diane (Jorgensen) Estep, '49.

This photo caught three happy Alumni Association board members; Barbara (Wilson) Nelson, '58; VP Kim Turner, '61 and Glo (Gleason) Holcomb, '46.

outlook Our Miss Chisholm

on life and the joy of living that she shared and gave to us all.

Following are excerpts from the March 29th Seattle Times. "Thelma Chisholm, who spoke three languages, knew her sports, loved opera and had friends on several continents, left an indelible mark on her 'girls'."

"Her dignity, and her concern for people of all ages and means, qualified her as a lifelong mentor."

"Born in Rossland, B.C., Miss Chisholm moved to Tacoma and graduated from Lincoln High School there. She earned a bachelor's degree in history and French at Washington State College."

"She was named one of the school's top 10 seniors, pledged Kappa Delta and later was the sorority's national president."

This greeting from Dennis was provided by his Ol' Dad, Hank Ketcham, '37, for the Class of 1959 Annual.

New Postage and Handling Charge

The Board has pondered the costs associated with mailing QA logo merchandise and has decided a postage and handling fee should be added to mail orders. A simple formula was chosen to make ordering as easy as possible.

Add \$2.00 for orders up to \$25 or

Add \$4.00 for orders totaling \$26.00 to \$50.00 or

Add \$6.00 for orders totaling \$51.00 or higher.

The order form on the next page includes this information.

Your Alumni Association

As Editor and Treasurer, I am aware of both letters and monetary donations made to the association. Those who make the effort to write or donate indicate that our efforts are worthwhile and that we should "keep up the good work". However, the "work" is entrusted to a "few" and, unfortunately, some of the "few" are in the senior citizen category and should not be relied upon without more youthful backup.

I am in the senior citizen category with too many doctor appointments so I can speak of the situation first-hand. For instance, I am very interested in having younger alumni learn what I am doing, good or bad, and share or take over some functions. There could undoubtedly be improvements and fresh ideas as a result.

Both of my functions require computer experience, which should be quite common among the 60s and 70s generations. Most alumni activities are near the Magnolia/Queen Anne geographical areas so that could be a consideration.

We are hopeful that there are alumni interested and willing to participate.

Visit Our Coupon Mall

The clip-out coupons are concentrated on the last page at the right so that your KUAY will not be unnecessarily damaged by their use. We hope that you will choose to use one or both of the coupons at the bottom of the page, for your contributions are our only source of financial support.

It's not too early to complete and mail the registration form for the Annual Banquet. Our volunteer coordinators die a thousand deaths waiting, waiting, waiting, to get your registrations so they can complete their preparations.

The one at the upper right may serve as a helpful communication tool to improve our mailing list and reduce post office return charges. KUAYs that are not deliverable cost your association \$.50 each for address correction information. **We'd rather learn it from you before our mailing.**

Snow birds are reminded that we are willing to maintain a summer and winter address for you. Otherwise, February Kuays returned as "Temporarily Away" cause your address to be coded "Summer Only".
