New QAHSAA Board Members Named *Alums Volunteer Their Time to Lead the QAHS Legacy*

By Kim R. Turner '61

The Alumni Board is pleased to welcome its newest members: **Anne (Messenger) Jordens '63**, who is our official treasurer after serving as the interim treasurer during the months prior to the October election. **Jeri (Samuelson) Jones '63** and **Sandy (Johnson) McCalib '65**, are serving jointly as the recording secretaries, a job they will split with each doing the honors during alternate months. You can see them featured in the 2008 Queen Anne Calendar Girls - more information on ordering the calendar on page 5. **Jackie (Moore) Zobrist '63** is the corresponding secretary and person to retrieve the incoming mail for distribution.

Kim Turner '61 and **Barbara (Wilson) Nelson '58**, have switched roles: Kim is now president and Barbara vice-president. This will allow Barbara to do some joyful traveling in the Southwest, without having to plan and chair monthly meetings.

Kudos to all other members of the board: **Carolyn (Cross) Avery '57**, **Ed Bol '81**, **Glo (Gleason) Holcomb '46** and **Connie (Haas) Morrison '81**. More kudos to those who keep us going: **Meri England '58**, **Dennis Helmick '62**, **John Hennes '51**, **Whitney Mason '80**, **Kerry McMahan '54**, **Arline Parker '58**, **Don Thompson '57**, and **L.D. Zobrist '62** all of whom help to keep the Queen Anne Grizzlies alive and roaring!

Last of all, a heartfelt thanks to our mentor and friend, **Hal Will '44**, who has crossed over to keep tabs with the rest of the Grizzlies. See page 9 for full story. We cherish the memory of all who have been on board!

From Our QAHSAA President

Greetings to all alums. It's time to salute the best from each class. If each class representative would prepare a list of names of your class members you feel are the greatest achievers of the class, send that data to me care of my home address: Mr. Kim R. Turner

6028 Third Avenue N.W. #2
Seattle, WA. 98107-2160

Whether you can think of only one person, or ten or more from your classes, please send them to me. It is time to build a cadre of Notable Grizzlies, not just the few we hear about often, such as Hank Ketcham, but all the others whose gifts enriched our lives as well as their own. As your new president, I hope we can draw more alums to our 2008 events: spring luncheon, summer picnic and

fall banquet. It has been suggested that we switch the banquet to the spring and the luncheon to fall, in order to accommodate the sunlight. Anyone who wishes that change, again please let us know. **Kim R. Turner '61**

Betty (Charouhas) Bebee '45, Terris Howard '52, and Paul & Pauline Mason '40, for continuing to screen many newspapers for the obit notices used in our Memorials. Also to **Neal Vonada '45, Sherry Grant '62, Gerry (Kissner) Bresnan '44, and Doris (McClure) Linkletter '31**, who have contributed to our Memorials page. We appreciate all those who write us about our fellow alumni passages.

The Al's Hamburgers group, who bring Al's grill and the burgers to the August picnic each year: **Doug Froling '48, Bob Guichard, '49-50, and John Zirckel '50**. They are running out of energy to do this job, maybe you could help next summer?

Steve "Milo" Milovitch '70, for help in organizing our storage unit.

Mike '67 and Alexandra (Dalinkus) Smith '67, owners of **LeRoux Fine Apparel** in Magnolia Village, for selling the QAHSAA logo merchandise. Go take a look.

Jim Cook '47, who passed in several posters of the Class of '47, used at their 50th and 60th reunions. Also a video tape of the 50th reunion in 1997.

Lois Waite, wife of the late Mel Waite, well known QA teacher and coach, who donated a variety of baseball team photos of the high school and summer league teams.

Susan (McNelly) Gibson '60, who donated eight annuals from 1928-33 belonging to her mother **Margaret (Fry) McNelly '31**, father **Donald H. McNelly '31** and her aunt **Edna May McNelly '33**.

WHO'S NEWS

Compiled By **Kim R. Turner '61**

We need your input to create this column. Send news of Grizzlies to: KUAY Editor, QA Alumni Assoc., P.O. Box 9128, Seattle, WA 98109, or e-mail: kturner@spl.org Photos are always wanted.

1920s

Helen Shelton '25 turned 100 last year, celebrating her birthday at Horizon House. Helen spent many years teaching before retiring. She can still quote Queen Anne High School creeds! Can you?

1930s

Jean Robinson '36, who grew up on Queen Anne during the 1920s and 1930s, is now living in Maryland with her daughter, Nancy Lake.

Susan (McNelly) Gibson '60 sent us a copy of the 1930 Grizzly Annual which belonged to her father, **Donald McNelly '31**. In it is a sketch of a "flapper" by **Margaret Henrikson '32**.

Sept. 15, 2007 at Bayview Manor was the site of a lively party for **Frances Farris '35**, who celebrated her 90th birthday with a party attended by family, friends and alums, including current and former QAHSAA board members. It was a gala affair, held on the top floor, with the sweeping view of downtown Seattle and the harbor! Frances looked great, and hardly the way one might picture a 90-year-old!

Jerry Munro '35, who just turned 91, is still at work in his nursery, providing great landscaping and plants for greater Seattle. Grizzlies show up everywhere! In July **John Hennes '51** and his wife Margaret Lahde Hennes, were in Mountain View, CA. visiting a friend who is pastor at the Villa Sienna Retirement Home. After a service one of the residents asked where they came from. Upon learning "Seattle" she said she grew up on Queen Anne. What else! Turns out it was **Elsie (Grolimund) Hirscher '33**, who has been in California for decades! She had not heard of the Queen Anne Alumni Association, but now she's on the mailing list. It's a good idea to ask fellows alums who you meet if they receive the KUAY!

1940s

Thanks to **Harold "Hal" Kenner '43**, for a group of programs from 1938 through 1942 for the annual Kapers, the 1942 play "The Eyes of Tlaloc," and the photo of his 1939 class picture from John Hay School. The latter has all the boys wearing white shirts and ties, and the girls in middy blouses, all standing in front of the original building at "old" John Hay School, June, 1939.

Mary (Willis) Randlett '43, has built an enduring legacy of photographs over the years, and was recently written up in the *Queen Anne News*, Nov. 28, 2007 (p.11). She has another book out from UW Press, *Mary Randlett Landscapes*. If you haven't seen her earlier books or photos, here is a book to cherish.

Larger than life were **Jim Cook '47** and his wife Mary when they appeared on the giant television screen at Husky Stadium during the UW Homecoming game on Oct. 27. The giant image showed the beaming couple to honor their 5 decades of being Husky season ticket holders. True believers. They ought to be given free season tickets for the rest of their lives!

Adrian LeBoutillier '48, sends the following: on board the Sun Princess on a trip from Seattle to Australia, via San Francisco, Hawaii, many South Sea islands, New Zealand, and finally Australia. While he was out on deck as the ship moved north down the Sound to the ocean, he heard the Queen Anne Fight Song! He turned to see a couple casually strolling by and soon learned it was fellow QA alum, **Carolyn (Grey) Horne '57**, and her husband Curt. She had spotted his QA cap and just couldn't resist singing a familiar tune. The four enjoyed many fun times together and later met at one of the ship's formal gatherings for a photo with the ship's captain. It truly is a small world!

From left to right: Margaret & Adrian LeBoutillier '48, Captain Carlton, Carolyn (Grey) Horne '57 & husband Curt pictured together after discovering each other aboard a Sun Princess cruise from Seattle to Australia this past fall.

1950s

Dona (Mitchell) Burrell '50 sends us the sad news of the passing of her husband **Bob Burrell '51**, in Spokane last Sept. 26. Bob played on Dick Clark's 1949 and 1950 football teams. After serving in the U.S. Navy during the Korean War, he went through the Seattle Police Academy and served 25 years as a patrolman, detective, harbor patrol member and, his passion, on the SPD Motorcycle Drill Team. His death followed a long illness.

Virginia (Callison) Dolan '50, returned in late October with **Dick Ryno '50**, from another fabulous tour: "Five romantic days in Paris, seven fascinating and educational ones in London, 14 luxurious days aboard the QE2." Upon ending that trip they were off for another 12 days aboard the Royal Caribbean, landing in Fort Lauderdale on Nov. 11. As Virginia writes, "Can it be any better?"

Don Williams '62 received this birthday "bouquet" of QAHS cookies from Rick Malsed '63.

at halftime due to the increasing ferocity of the storm. Garfield was leading, 7-6. This was the longest game in Metro League history because it wasn't finished until 3 days later. The halftime score ended up being the final score. The game was at the Sealth Stadium since Memorial Stadium was still in use for the Seattle World's Fair.

1960s

Don Williams '62, living in Palm Desert, CA, received the "best birthday present I could have ever expected" from **Rick Malsed '63**. It was a shipment of four giant cookies, each a replica of a Queen Anne High logo item: the school itself, a Grizzly bear wearing a QA blanket, a logo golf shirt, and a class "name tag" for the Class of '62. What a neat gift! Rick, along with some assistance from **L.D. Zobrist '62**, managed to get jpegs of the items to the bakery in Palm Desert, and they arrived at Don's home as a "bouquet". After taking pictures of the group and individual cookies, neither Don nor his wife could bear to eat the cookies, which are now stored in their freezer!

Jo (Wayt) Johnson '64 wrote asking to be reminded about the 1962 Columbus Day football game between Queen Anne and Garfield which had to be called

1970s

George Hammer (Ballard HS '70) who attended Queen Anne in 1968 and 1969 writes that he still keeps all his friends from Queen Anne. He is a commercial pilot and a search-and-rescue mission pilot for the DEA. He is on the border patrol, dealing with drug-smuggling operations and illegal growing operations in the national forests. He is looking forward to retirement and travel, but just wishes he could speak Spanish better!

Bob Whitney '72, recently married June Sembiat at the Las Vegas "Wee Kirk o' the Heather," a historic wedding chapel. Bob recently received a Bachelor of Arts in History at UNLV, and is now attending the masters degree program in history there. The Whitneys now reside in Las Vegas, with its incredible summer heat!

John Loacker '73 is interested in establishing a promotion/mentoring fundraiser for McClure Middle School. Those of you who went through McClure before attending Queen Anne High might wish to consider this. The current students at McClure

Who's News Continued from Page 4

do not have the benefit of a historic connection with the community around them the way those who went on to Queen Anne High did. Send your ideas to our website or mail box and we will pass them along to John and the McClure PTSA.

Jim Hennessey '74 and **Rick Wenala '73** teamed up on the Holcam FC Soccer Club last summer to compete in the Veterans Cup. This is a national tournament bringing the best teams together from around the U.S. to compete for the national title in each age group over 30. 2007 finals were held in Bellingham. With eight teams from around the U.S. qualifying for the playoffs, the Holcam FC team represented Washington State and made it to the finals, losing in penalty kicks on the final shot to end up second in the nation. Jim and Rick both played on the Queen Anne High soccer teams of 1972 and 1973.

Molly Durfee Hackett '77 sends a "shout out" to **Hal Will '44** and his wife Shirley for their years of dedicated service to The KUAY. She writes: "As even a casual reader of our alumni magazine, I remember how often Hal's name appears in his role of helping alumni keep connected. I also had the opportunity to receive Hal's help in contacting a former high school teacher and Hal was so helpful and considerate. Hal, you will be missed. Thank you for all your work on behalf of QA alums." Her sentiments are echoed by many QA alums.

Editor's Note: Thank you for your numerous e-mails & calls regarding the typo in the August 2007 KUAY mistakenly listing the wrong year of the attack on Pearl Harbor. We are glad to have such an alert readership and appreciate the author's and your understanding and forgiveness. We did several push-ups.

Calendar Girls of Queen Anne High School Funding Athletic Scholarships

All Queen Anne graduates will want to support the scholarship fund and purchase the 2008 edition of the QA Calendar Girls. This special calendar features graduates from different classes who volunteered to raise scholarship money for QA families. These models believe in keeping the "Grizzly" spirit alive by posing with their classmates. So, please let this calendar be a daily reminder that even though the school is closed, your support means so much to future

generations of Queen Anne families. If your class is interested in getting involved, phone Pat Turnbull (206) 325-1685, or Linda McCullough (425) 743-9510.

To purchase the 2008 calendar, send \$22 (includes shipping) to: Calendar Girls, PO Box 294, Bothell, WA 98041. To pay by credit card, phone Pat or Linda. Proceeds go to fund athletic scholarships as part of the Alliance for Education Foundation.

The photo of the Grizzly Inn bricks in the August 2007 KUAY prompted inquiries from two families. Bette (Lillie) Loomis '39 wanted the brick with her late brother's name on it, Don Lillie '51 (attended but did not graduate). Betty lives in Normandy Park. From Bothell came a call from Linda (Crary) Hopkins '60 who wanted her late brother's brick, Don Crary '52. Linda is a former flight attendant who also worked for the short-lived Seattle Angel baseball team (following the Rainiers and preceding the Pilots). Both of them are now one brick richer.

Reunion Recaps

Class of '47 Has Gala 60th

The Class of 1947 held its 60th anniversary reunion at the Seattle Yacht Club on Sunday, July 22, 2007. It was a big success with over 90 in attendance. Most overcame some type of obstacle in showing up in a true display of "Grizzly" spirit. Some had to travel great distances to attend, but none came close to **Mimi (Judd) Geier** who flew all the way from Barcelona, Spain. One classmate even came between intravenous feedings at a rehab facility where he was a patient.

It is noteworthy to acknowledge that all four of our 1947 commencement speakers were present: **Jerry Martin, Dean Peterson, Joyce (Berglund) Johnson**, and **Timmie (Raport) Faghin**. A salute to all is in order. **Lowell Knutson**, our senior class president, gave welcoming remarks and the invocation before we sat down to a wonderful salmon or steak dinner. No one went home hungry.

Jim Baird, minus megaphone and yell-team sweater, emceed the program. This included all graduates of Queen Anne introducing themselves to insure that all were recognized. **Timmie (Raport) Faghin** gave a sequel to her "Survivor" address from the 50th reunion. It was again very well received. The reunion committee, headed by **Jim Cook** and ably assisted by **Dean Peterson, Joyce (Berglund) Johnson, Patsy (Kelly) Brown, Jim Baird, Irv Matson, Rich Kyle** and **Timmie (Raport) Faghin**, were introduced and recognized for a job well done. The program concluded with the singing of the Grizzly fight song and more visiting.

The Class of 1947 has also donated \$1,000 to the Alumni Scholarship Program, and \$382 to the Alumni Association general fund, from the excess funds raised for this reunion.

Class of 1952 Holds 55th

The Class of 1952 held its 55th reunion on September 14, 2007. The committee chose the Museum of Flight for its reunion location, and it was a very good choice. The facilities were very nice, and there was a bonus, in that guests were able to tour the museum without charge. There were so many amazing things to see, and of course, many were familiar with much of what was exhibited, given their ages! There were a number of people who came from out-of-state, and an award was made to one of our classmates, **Jim Barclay**, who came from England.

Everyone had a great time catching up and reminiscing. **Irv Hunter** and his wife, **Gayle Goldman**, put together a wonderful DVD of some of our get-togethers and individual pictures, which was shown during the reunion.

By vote during the evening it was decided that a 60th reunion will be held. It is requested that members of Class of '52 would notify Alumni Association or **Liz Winkler Adams** at (425)778-0336 or geneandlizadams@seanet.com of any address changes.

Class of '62 Celebrates 45th

The Class of '62 held two days of fun events in August that brought more than 125 classmates home to enjoy each other's company. The Friday evening warm-up was held at the recreation cabana at the Bellevue home of **Mary Larson Germeau '63**. The weather was wonderful and classmates were able to take advantage of the indoor and outdoor space to hold spirited conversations while enjoying refreshments.

From l to r: Norton Reynolds & Lauriann Raymond Reynolds, Sue Molin, Doug Stenberg, Kathy Davis Shanafelt enjoying the party!

From l to r: Class of '62 members Larry Harrington, Joe Samione, Anina Tardif McCormic & Dan Harrington.

The Saturday night banquet was held at the beautiful Women's University Club in downtown Seattle. Classmates and their guests were welcomed warmly and treated to a wonderful dinner, lots of room to talk, and a live band to dance away the evening. **Dennis Helmick**, committee chair, summed up the buzz at the events, "Everyone was having so much fun, they didn't want it to end."

34th MOQA Christmas Luncheon Honors Class of '35 Grads

By Dee Hawkes '54

Recognized as the oldest grads in attendance, Paul Lorentz and Carl Carulli, both '35, pose together at the December 2007 MOQA luncheon.

More than 85 Queen Anne Grizzlies met December 27 at the Rock Salt Steak & Seafood Restaurant on Lake Union for the 34th annual Men of Queen Anne no-host luncheon.

A good meal and much conversation made up the agenda. **Carl Carulli** and **Paul Lorentz, both '35**, were recognized as the oldest grads in attendance. The Edo Vanni Spirit Award was given to **Roger Pinneo '53** who has devoted much effort to the goals of the MOQA. This annual holiday season event has been coordinated by **Dwight "Dee" Hawkes '54** for many years and includes grads from the 1940s through the 1970s.

Joining the 85 or so men at the luncheon were two women who managed to infiltrate the usually all-male event. **Linda (Fouts) McCullough** and **Pat (Purcell) Turnbull, both '54**, manned - er, staffed - a table to display and sell the Calendar Girls calendar for 2008.

The results of the September Bob Houbregs MOQA Golf Classic were also announced at the luncheon. The overall winner was a foursome from the Class of 1960 (see photo below).

2008 Date Set for Annual Bob Houbregs QA Classic: Sept. 29

By Dee Hawkes '54

Look closely, you'll see the fun and fellowship QA golfers have when they get together to play in the Bob Houbregs Queen Anne Golf Classic. The 2008 event will be held at the Everett Golf and Country Club on Monday, Sept 29. It's a special day for QA golfers, both men and women, to bring their friends and play in a scramble format at one of the best courses in the Northwest.

Event organizers are looking to include a golf competition with alumni from West Seattle and Ballard high schools from the old city league. Stay tuned for more details on this new competition!

If you are not a golfer, you're welcome to attend the awards dinner that follows, or show support by sponsoring a hole. This tournament is played to raise money for ten scholarships.

For more information, e-mail Bruce Bowe at bbowe805@earthlink.net or send a note to QA Golf, PO Box 294, Bothell, WA 98041.

The golf tournament is sponsored by the Men of Queen Anne, a non-profit organization under the Alliance for Education (501(c)(3)), which was created to raise athletic scholarships for the families of Queen Anne graduates.

Saying Goodbye to Hal Will '44

By John Hennes '51

One of our Alumni Association's most valuable and most fondly remembered personalities has died. Hal Will '44 has sailed over the horizon to that Undiscovered Country. He passed away quietly on Dec. 21, 2007, at age 81, of pneumonia.

Hal became active in our Association in 1997, following his retirement from the John Fluke Co. He served as the treasurer from 1997-2000, as The Kuay editor from 1998-2003, and as manager of the 25,000-member database from 1999-2007. His enthusiasm for detail and for Queen Anne alumni meant a great deal to all of us.

His long, full life included years of fooling around in boats, teaching and mentoring tasks at Fluke, photography, writing essays, historical remembrances and entertaining personal tales and publishing. Most of this while confined to a wheel chair following his polio infection in 1949, and all made possible by the love and support of his wife and helpmate, Shirley Hall Will.

Hal grew up on Magnolia and loved the water and boats from childhood on. For 25 years he and Shirley had their own boats, including building and operating their steam launch "Charlie". He joined the Puget Sound Maritime Historical Society in 1963 and was editor of its journal, *The Sea Chest*, for its first ten years. He and Shirley have also been active in the Northwest Steam Society and other groups.

In 2000 he was recruited by Monica Wooton to begin contributing to the Magnolia Historical Society and wrote a series of historical essays on growing up in Magnolia that form some of the most entertaining chapters in two recent histories: *Magnolia: Memories and Milestones* (2000) and *Magnolia: Making More Memories* (2007).

For many alums Hal was their primary contact with our Alumni Association. He responded to hundreds of e-mails and telephone calls over the years, always in a patient and kindly manner. Numerous meetings of the Kuay editorial board and other alumni committees have been held around the dining table at their house.

Hal lived a full life in spite of, or perhaps because of, his physical limitations. He often credited Shirley for his rich life, saying, "I couldn't have made it without her." He is survived by his wife Shirley, many nieces and nephews and many, many friends—including all of us Grizzlies.

Hal & Shirley Will married for 57 years.

Magnolia: Making More Memories

Second Magnolia History Book is Here! By Monica Wooton

Magnolia/Queen Anne News publisher Mike Dillon says of this second volume of history for Magnolia, *Magnolia: Making More Memories*, the sequel to the popular, elegant and eloquent *Magnolia: Memories & Milestones*, in his extensive review of the book Dec. 12, 2007, "...The book ranges from big themes (WWII, Railroads at Interbay, Fort Lawton, The West Point Lighthouse) to anecdotal conversational memories, creating a kind of rhythm of breathing that blows away the cobwebs that...some people associate with history...A fold out photograph (aerial) of Magnolia is added for good measure..."

"Written by 34 Magnolians this is a big, Whitmanesque poem of a book, capacious, wry, and heartfelt and generously illustrated with archival photos...", Dillon writes. "Anyone opening the big and beautiful *Magnolia: Making More Memories* will be reminded that history, first and last is people and their stories... And this is one coffee table book too good for the coffee table..."

Book I and now Book II are available for purchase, details in coupons on page 14. For more info, phone Dee St. George at (206) 284-5480.

Queen Anne Scholarships ~ Taking Care of Our Own

2008 Applications Due March 31

For 26 years, the Queen Anne High School Alumni Association has provided scholarships to descendants of QA alumni through gifts from hundreds of Grizzlies. Below is a letter from one of the 2007 scholarship recipients.

Completed applications for this year's scholarships are due by March 31, 2008. To receive an application, write to the QA Education Committee, 3025 NE 95th St., Seattle, WA 98115-2436; or phone (206) 523-0079; or visit www.qagrizzlies.org.

Dear Queen Anne High School Alumni Association,

Thank you so much for awarding me [a] Queen Anne Academic Scholarship. I am learning quickly that the cost of college supplies and textbooks adds up quickly, and the scholarship has really been a big help with my expenses.

I have thoroughly enjoyed my first semester as a college student. Colorado College's unique block system really fits well with my preferred style of learning: it allows me to focus on one class at a time, delving into each field completely before moving on to the next. Each block is three and a half weeks, which for the most subjects is the perfect amount of time. Some classes, however, like languages, simply cannot be covered well in the allotted time, and so for these types of classes, the college either offers a two-block course or an "adjunct" class, which meets once or twice a week in addition to the main class the student is taking. So far, I have taken a two-block course on religions of the world and their responses to suffering, a course on the biology of vertebrates, and I just completed an introductory course of Shakespeare.

But learning does not stop with academics. I have never met so many different people from so many different places in my life. The diversity of thoughts, interests, and ways of life is considerable, and each new person that I meet teaches me something about a life of which I know little or nothing. As I meet all these new people, I am realizing the person I am getting to know the best is myself. And in this fast-paced world of advertisements, media and technology, what could be more important?

Thank you again for selecting me for your award, and thank you for helping me start my new life.

Sincerely,

Colin Madden

Colin Madden graduated last year from The Overlake School in Redmond, with a 3.96 GPA. He is currently a freshman at Colorado College as a science pre-major. His high school activities included lead drummer of the Overlake Jazz Band, winner of first place in the annual Class 1A Jazz Band Competition in Vancouver, and 3 years of playing varsity basketball to include guard for the all Emerald City League. He is the son of Dale Robert Madden and Carolyn Adams Watts and the grandson of **Donna (Putnam) Madden '51**. He was awarded the **Class of 1951 Scholarship** in 2007.

Finding Gordon Sullivan '50 & His Model A

By Alice (Ogden) Brown '52

In September of 1948, Model A Fords were not such a rarity on Queen Anne hill. A fellow could buy one for \$50 and drive it "as is" or build a hot rod. During my freshman year at QA, I met a fellow Grizzly by the name of Gordon Sullivan, owner of a model A. He was dating a friend of mine and they invited me to go with them to a football game at Memorial Stadium. In my mind I can still hear the sound of the model A as it chugged up and around the hill. Gordon graduated in 1950 and I lost track of him and the Model A.

high school yearbook photo.

Fast forward to 2003 in Birch Bay, Washington. Model A Fords came up in casual conversation with a neighbor. As we spoke of the car, Gordy came to mind. The conversation further revealed that a Gordon Sullivan who owned a model A, lived nearby. The neighbor invited me to a gathering of the Northwest Steam Society at the Sullivan home. Sure enough! It was QA Class of '50 Gordy, looking much the same except for silver white hair. He is a charter member of the Northwest Steam Society.

Gordon has spent the last 60 years collecting, restoring and building steam implements. The Sullivan "Boiler Works" is located in his shop on 10 wooded acres, allowing room for a meandering railroad track. The Sullivan steam engine terminal is in the shop. A Sullivan steam calliope is parked adjacent to the steam engine. A Sullivan boiler powers the antique engines, pulleys, wheels, gears and pumps. Gordon machines new parts for old equipment using the old technology. The sounds huff and chuff while overhead belts and pulleys move along. Around the corner a gleaming Stanley Steamer is parked beside the 20-foot "Quick Step II" steam powered launch (think African Queen). The Stanley Steamer is nearly as long as the launch. Steamers are very heavy and do

not have power brakes so it seldom travels. But there is more!

In the house we find a concert grand piano at one end of the living room (not steam powered), and a restored theatre pipe organ on the other end. The pipes, drums, cymbals were installed by Sullivan and housed in a room behind the organ. For comfy listening, a step-down, circular, upholstered fire pit area seats 24. The "Men's Room" is equipped with antique copper fixtures and a manly décor.

But that isn't the whole story...around the Sullivan kitchen bar I met **Joe Winkler '50**, **Tom Kane '52** and **Ernest Jenner '53**. Funny, but a future passion for steam engines was not one of those things we might have envisioned in 1950, as we approached the jet age. There well may be other QA grads in the steam group who have yet to be identified in their later-age persona. The late **Hal Will '44** and the late **Clyde Holcomb '44** come up in recollection of past steam boat events. My own connection to steam comes from my Dad, Johnny Ogden, the Boiler Inspector.

Gordy's best achievement is his marriage to Beverly Craig from Ballard. She is his partner in creativity, and shares his love of the unique and rare. More than 50 years together with 3 beautiful daughters and grandkids who get to ride Grandpa's very own train. It doesn't get much better than that.

While majoring in art at Western Washington University, Gordon designed the steam component of the Robert Morris sculpture there. It may be found in the sculpture garden on campus, and easily identified by the plumes of steam. If you are in the area, stop by and have a look.

In Lynden, Ferndale, Blaine and Bellingham on parade day, you will see a Sullivan car or calliope or boat among the best of the exhibits. Then there is Sullivan Plumbing Company...but that will do 'til another story.

And the '29 Model A? It became Beverly's car and made many runs to the grocery store and neighborhood errands. It was succeeded by a '31 model A which is on loan to the Pioneer Museum in Lynden.
