Queen Anne High School Alumni Association Marking Our Thirtieth Year February 2011

Meet Your 3 New QAHSAA Board Members

New Grizzlies are always needed to bring some fresh outlook to our 30-year-old organization. Three alumnae have recently joined the board: **Jo (Wayt) Johnson '64, Claudia (Kettles) Lovgren '65** and **Sherry (Peck) Moody '66**. **Jo** grew up in Magnolia, attending Magnolia, Catharine Blaine and Queen Anne. After high school she attended

WSU for two years. At QAHS she was very active in the Drama Dept. under the teaching and direction of Jay Pollette, where she won a Best Supporting Actress trophy. Jo writes, "I am very happy and proud of that award. I hope the trophy is not lost." Her parents operated the Magnolia Nursery and Florist, later known as Magnolia Florist. Jo also worked there for several years. She has 3 sons: Duane (Seattle); Kim (Florida); and Brian (Montana) and two grandchildren. Jo, who returned from living in Montana for 13 years in 2008, is now single and happy to be home in Washington. She is honored to be part of the Alumni Board.

The QA Alumni Summer Picnic Sunday, Aug 14, 2011 Back at the new John Hay playfield, across from the high school The Alumni Fall Luncheon Sat., Oct. 22, 2011 - Seattle Yacht Club Celebrating 30 years of the Queen Anne High School Alumni Association

From Our QAHSAA President

What a rush! I celebrated Christmas from the 6th of December until latter January 2010-11. It seemed as if there were parties every day. So farewell to 2010 and hello, 2011. Both my 50th anniversary at the library and our class of 1961 50th reunion are on tap. The first in May, the latter October 1st, at the Overlake Golf and Country Club. So I look forward to these events as well as the spring and fall luncheons and the summer picnic, Magnolia Fest, etc. Just another busy alumni year on tap!

It is also time to say farewell to outgoing board members Carolyn (Cross) Avery '57 and Connie (Haas) Morrison '81, who have given years of good service to the organization and who will be missed. Stepping in to fill the open spots are Claudia (Kettles) Lovgren '65, Sherry (Peck) Moody '66 and Jo (Wayt) Johnson '64.

Recent victories by the Huskies and Seahawks give me hope that Seattle is recovering from the economic malaise which has hindered us in recent years. The Alumni Association was formed in 1981 after the closure of Queen Anne, so we are about to get our 30th anniversary under way. Since the formation came after the closure, we plan to celebrate our 30 years at the summer picnic and fall luncheon. Please join us.

Happy New Year to you all, and may it be both prosperous and full of good health.

Kim R. Turner '61

Houbregs Golf Classic Drives On

Last September, they came, they played, and they had fun at the **Bob Houbregs Queen Anne Golf Classic** at the Everett Golf and Country Club. Over 72 golfers participated in three different venues: the weekend warriors, hackers, and non-serious golfers; the serious golfers with a handicap; and golfers who competed in the class competitions. There was something for every one! The Grand Marshals were coaches **Walt Milroy and Walt Bone**. They visited each foursome to offer golfing tips, even though both of these men prefer the round basketball to the little white golf ball. At the Award Banquet, prizes were given out for each venue. Stories were told about missed putts, long drives, and "We'll be back next year" was heard.

Bob's golf tournament raises money for athletic scholarships to support Queen Anne families. Ten scholarships are available, and this year, a new scholarship is being funded in the name of **John Eicher '64**. John was an outstanding three-sport athlete and honor student who passed away in 2004. Teammates **Mike Doyle and Jim Dorney** encourage those interested to send in a contribution in John's name. Checks payable to MOQA/AFE to PO Box 294, Bothell, WA 98041.

All QA golfers and guests are welcome to play in the 2011 tournament, which will be held Monday, Sept. 19, at the Everett Golf and Country Club. Let's keep the "Grizzly Spirit Alive." So mark your calendar and come play. If you wish to donate prizes or be a sponsor, please contact **Roger Pinneo** at *imgramimi@verizon.net* or **Gordy Fouts** at *gfouts@nai-psp.com*. If you are an interested golfer, or you need scholarship information, please contact the following: MOQA, PO Box 294, Bothell,WA 98041.

MOQA Holds 37th Annual Luncheon

By John Hennes '51

The Rock Salt Restaurant on Lake Union was again the scene of the Men of Queen Anne's annual holiday luncheon, Dec. 28, 2010. The annual event started 37 years ago and has been steered by **Dee Hawkes '54** for most of its existence. Over 100 Grizzlies from classes of 1942 into the 1970s attended, and shared their annual stories and checked out each other's health and golf scores.

The main event was the presentation by Ralph Vanni '54 of the Edo Vanni Spirit Award to Connie Jacobsen '54. Connie was ill and unable to attend (regretfully, he passed away Jan. 3). Speaking movingly for Connie was his son, Bryan, accompanied by other family members. Connie worked with young people in Young Life for over 40 years and was involved with MOQA during its entire time.

Coaches Walt Bone and Walt Milroy were in attendance. Each attendee stood and introduced hinself. Coach Milroy got a hand for calling himself "Class of '59". The MOQA Scholarship of \$1,000 was awarded to Sam Werner, son of Glenn Werner '49. Sam will attend Gonzaga University and play soccer there. Thanks to the MOQA supporters, this luncheon, their golf tournament and awards will continue on.

At the 2010 MOQA luncheon Roger Pinneo '53 (left rear) talks with Glenn Werner '49, whose son Sam (left front) is speaking with Bill Knight '48. Sam Werner was the winner of the MOQA scholarship for 2010.

Class of '50 Turns 60 By Doug O'Brien '50

We had a great turnout for our 60th anniversary reunion Sept. 19, 2010 --- actually the number of alums was greater than for our 55th reunion held in 2005. There were 66 class of '50 alums, plus 13 more from the classes of '48, '49 and '51. Add to this 29 spouses or guests and there was a grand total of 110 --- including coach Walt Milroy and his wife Virginia. Compliments abounded.

Alums came from Washington, Oregon, California, Arizona, Nevada, Utah, Texas and West Virginia. A contribution to the scholarship fund will be made in the near future. Thanks to the Alumni Association for always doing a great job in helping with info, address and related support.

'55 Holds 55th By Jean (Hendrickson) White '55

On Sept. 17, 2010, the Class of 1955 had its 55th reunion at the Seattle Yacht Club. Approximately 100 were in attendance and everyone loved the ambiance and thoroughly enjoyed visiting with classmates. We are all thankful for the health and happiness we share as we keep on keeping on in our golden years. Classmates came from as far away as Florida and Mississippi. Just goes to show us all how much we care, enjoy the time we have together, mourn our losses, and cherish our memories. Smiles, hugs and "thank goodness we're still here on earth" made our reunion great. We're looking forward to our next one - 2015. We'll surely feel as young as we were back then – at 78? AWK! Maybe not!

'60 Celebrates Its 50th Anniversary

Three friends gather at the Class of '60's fiftieth reunion: I to r: Diane (Lee) Blair, Georgene (Gewalt) Sather and Carol (Sund) Stollwerk.

By Sylvia (Welsh) Cummings & Marilyn (Markoff) Southern '60

After two years of detailed planning, the Class of 1960 celebrated its 50th anniversary in grand style Oct. 2, 2010, with a reception and banquet at the beautiful Seattle Yacht Club. Nearly 200 enthusiastic classmates and guests from far and near attended this Golden Reunion, making it the largest reunion in our 50-year class history. Decorations included '50s collectibles and school memorabilia loaned by the Alumni Association. An outdoor display featured the original Miss Thriftway hydroplane, loaned by the Hydroplane Museum in Kent. Alongside, a '50s- era automobile was also displayed. Even Elvis was in attendance that evening! Speakers for the nostalgic program included Dean Tonkin, Pete Dierickx, Susan (Linforth) Garrett, and Don Lorentz. A first-time-ever grads-only kick-off party was held the Friday eve prior at the Queen Anne home of Bill

Henson, overlooking Elliott Bay. Over 100 classmates enjoyed this special evening. Both events will long be remembered.

'65 Celebrates Its 45th Anniversary

By Sandy (Johnson) Krutsinger and Sandra (Rustuen) Smith '65

The class of '65 had two reunions in 2010! One at the alumni picnic which was small and informal. Sandy (Johnson) Krutsinger planned the picnic reunion and was given much needed assistance by Neva (Nelms) Franks and Francine Walls. It was a beautiful day; the weather must have known it was our 45th reunion!!

The evening reunion was held Oct. 16 at Shilshole Bay Beach Club, and we again had a great opportunity to catch up with our classmates. The enthusiasm was so great that we are getting a head start, with our committee of 14 (so far), to set up our 50th reunion in 2015.

To join in, contact Sandra (Rustuen) Smith at captstwo@wavecable.com.

Class of '80 Turns 30!

It was quite a party at Medin's Ravioli Station Sept. 10 when '80 grads showed up to celebrate their 30th. Graciously hosted by Bill Medin '80 at his Ballard restaurant, the class kept it simple and focused on what was most important: seeing one another and catching up! From 1 to r: Al Yalowicki, Janice (Woodhouse) Sells, Blake Steward.

Getting Jogether Again!

"Dear Queen Anne High School Alumni Association,

Thank you for the scholarship check and the support in my academic career. I am currently in my 5th week of class here at Westmont College (3rd year). This year has been both exciting and chal-

lenging thus far. I am taking three classes (History of World Christianity, Spanish, and History of Western Music) along with private voice and guitar and singing in both our college choir and a chamber choir. I am so blessed to be able to attend Westmont and I greatly appreciate your support."

Board Members Cont'd From Page 1

Since returning she has become active with the Class of 1964 Reunion Committee and reconnected with many of her friends.

Claudia moved from her birthplace of Lansing, MI. to Magnolia in 1957, where she attended Briarcliff, Catharine Blaine and Queen Anne. At QAHS, Claudia enjoyed the football and basketball games most of all school activities. She subsequently graduated from Cornish College of the Arts in Interior Design and is currently working in the lighting industry. Claudia volunteers for PONCHO which is a large fundraiser for the Seattle Symphony, ballet, and theaters. Her vacation time is spent on North Channel of Lake Huron in Northern Ontario, Canada with family and friends.

Sherry was born and raised and still lives on Magnolia. In fact, she lives seven blocks from where she grew up—on the same street. After graduating from QA, she attended Western Washington State College (now University) for two years and then spent over 30 years in the commercial insurance industry. Nine years ago she became a Realtor. She feels that, "Real estate has given me the opportunity to help first time home buyers realize the American dream."

Her husband, **Tim Moody '66**, is retired but still coaches basketball and baseball at Franklin High School. She is a most loyal fan of both sports and they are involved in many activities at Franklin. They have also been involved in their QA '66 class reunions every five years, and are in the midst of planning next summer's 45th at Anthony's in Shilshole Bay. They enjoy their son (FHS class of '92) and his family, including three grandchildren.

QA Alums Love Their Dogs!

It's A Dog's Life

By John Hennes '51

We all know that a dog is man's (or woman's) best friend. But a lot of Northwest canines have found out that alumni board member **Sandy (Johnson) Krutsinger '65** is a dog's best friend.

Over the last six years Sandy has been a foster parent for Old Dog Haven to over 64 shelter dogs, giving them the love and stability they need until they are ready to move into permanent adoptive homes. Although limited by her

arthritis and other disabilities, Sandy has learned to juggle the medicines, the exercising, the training and the personalities of up to nine dogs at a time.

Sandy grew up on Queen Anne, attending North Queen Anne elementary school. She notes that she always had dogs, both as a child and in her adult years. With her children grown and then single, she wanted to do something that made a difference. And she has.

Three years ago she reconnected with her high school boyfriend and today Sandy and **Phil Krutsinger '63** are married and jointly taking care of nine dogs—three of them theirs and six shelter dogs. Two of her own dogs were rescued (refuge) dogs needing special care.

Sandy admits that she can't do everything, but says of the dogs, "Most of all they just need our attention and love." She gets that in abundant return from her dogs and also notes that, "They make us laugh more than any comedy program on television."

Sandy (Johnson) Krutsinger '65 with a few of her best friends: (clockwise from right) Holly, Lady, Ada Mae and Duke.

The dogs all learn to get along together. In the morning she calls the dogs to go to their feeding stations and wait. They patiently wait while Sandy gets their bowl ready. Then she calls them one by one to their bowl and they come up; never going to another dog's bowl. Happy coexistence.

People want to know, after giving this much time to a dog, how can she give them up to an adoptive home? Sandy's reply is simply, "There are so many more dogs desperately needing a foster home, and now this one is making room for me to help one more." A dog's best friend indeed.

Dog Training School Makes Her Day

By Glo (Gleason) Holcomb '46

While learning to train her Golden Retriever, Corr, Joan (Nielsen) Fetty '54 got hooked—so hooked she entered competition in Obedience, Tracking, Rally and Hunt Dog Events. Joan was so very hooked she opened her own dog training school 25 years ago, which incorporates "come", "sit" and "stay" into many training problems that teach and challenge dogs and their owners. Perhaps her most rewarding subject, she says, is teaching—no, allowing— dogs to use their fabulous SCENTING ABILITY! Two of her students are now working on "scenting" with their horses.

Scenting dogs become unbelievably motivated, forgetting their personal problems; owners do also, as the two of them become a real team. The only equipment needed is cardboard boxes and a training locale as simple as the living room or the outside yard.

"Some of our humans are in their 80s", notes Joan, "and their dogs may be over 12 years old". Joan didn't like using a spiked choke chain as a training tool; she believes in a gentler more positive method, which she offers at her Positive Dog Training School located in Woodinville. They have students who meet regularly, Joan noted, and "Group Walk" their dogs, ending up at Starbucks for coffee!

"Dog training is such fun that you want to get up in the morning, rebound from that hip replacement (I have done that) and play purposefully with your dog."

You can visit her website at **www.positivedogtrainingschool.com** and you are invited to drop by for a visit; even if you don't have a dog, its fun to watch.

Another Dog Friend Story: How many of us would want to part with our 1985 silver Jaguar with leather interior? Alden (Giss) Graebner '63 did just that, as a charitable gift to the Seattle Humane Society. Love those dogs!

Sharing the Good Times Past & Present

THE TIMES' BABY PICTURES

Good Years on QA

In this 1946 Seattle Times photo, Howard (Skippy) Heffelfinger '61, in the car, is receiving gifts for his 4th birthday from his 3 year old sister Nancy (Heffelfinger) Grevel '63 (right), 4 year old Bill Baker '60 (left) and their neighbor Tommy Arrieta (center). Howard and Nancy are the children of well known QA teacher C.H. Heffelfinger, while the late Bill Baker was the son of equally well-known teacher W.O. Baker. A new car, gifts...life is good for Skippy.

Gerry & Her Plane

Gerry (Rothaus) Brown '52 visited Terry Howard '52 at the Museum of Flight Restoration Center at Paine Field in July 2010.

Terry is a volunteer in charge of the restoration of the original 727 airplane for the museum. At left, Gerry sits at the controls of the first 727 (UAL N7001U). At right, Gerry stands in front of a B-52 on the Boeing Flight Line.

Happy Birthday Marines!

Queen Anne Marine Veterans gathered last fall to mark the 235th anniversary of the U.S. Marine Corps, founded on 10 Nov. 1775. Shown (left to right) in front: Bob Waitt '49 and Ben Noble '49; in rear: Fred Lillian '49, John Zirkel '49-50, LtCol Whitney Mason '80 and Vern Anderson '50.

Good Times at 2010 Alumni Picnic

By Jackie (Moore) Zobrist '63

Classmates from the mid-1940s at the 2010 summer picnic.

The annual all-classes picnic held August 15 was back at Gas Works Park. It was a beautiful day, but very hot, so most of the Grizzlies were hiding undercover with the food.

Your QAHSAA Board provided the hamburgers, hot dogs, soft drinks, water and a few side dishes. Joe Samione '62 donated the hot dogs and hamburgers from his Roadhouse Bar & Grill near Stanwood. We had the grill from the famous Al's Hamburger joint cooking full blast again this year. Thank you to the alumni who also brought side dishes and class cakes.

A few classes hosted mini-reunions at the picnic, and we encourage more classes to do so. We had a wonderful turnout. Classes were represented from 1934, 1935, 1938, 1940 and an unbroken run (for the very first time) from 1942-1981. Thank you to everyone who came and helped make the picnic a great success again this year.

2010 Fall Luncheon: Mr. Touchdown QA High

About 100 attendees, including former teachers, coaches, and alums got together Oct. 22, 2010 for a delightful luncheon highlighting Queen Anne's football championship teams. **Ruth (Hanson) Ghormley '42**, had super table decorations for the football-oriented program.

QAHSAA president **Kim Turner '61**, gave a surprisingly short talk for all the information covered and led the singing of "Mr. Touchdown," the Grizzly Fight Song and the Alma Mater. Each attendee was given a list of the championship teams with the scores and title game results.

Fine raffle items were won by several lucky winners, including **Pat (Wilson) Faller '58**, who won three times.

A full listing of deceased and missing classmates is now available on our website by class year.

Volunteers supply us with death notices of alums. It helps if family members or friends of the decedents notify us of the death, so we don't miss anyone. If you have lost a classmate or other alum to death and have not seen a listing in the KUAY, please let us know.
