## President's Message

By Sally Villaluz Ghormley '79

Winter is here  
Grizzlies!

I want to ask everyone to take a moment of silence and reflect on the loss of our beloved Grizzly **Tim Moody '66**,

Pres. Sally and Charlie Association Member extremely active with the Alumni Association, passed away at home attended by his wife **Sherry (Peck) Moody '66** and surrounded by family on January 10, 2022. Our hearts are broken. Heaven is lucky to have him. His final parting words that he wanted to share with everyone were "This too shall pass, live life to the fullest, don't take things too serious, laugh and have fun...Peace Out".

Timothy Ira Moody was born January 22nd, 1948. He is survived by his wife Sherry, son Heath, plus family and friends. He was a husband, father, brother, friend, grandfather, and a coach. Our memories of Tim are precious, he always had a heart of gold.

Amen.

We just had our All Class Fall Homecoming Dance at the Ballard Elks. Unfortunately, I wasn't able to attend, My thoughts were with everyone on that evening, what an awesome night it was!!

I'm looking forward to our upcoming Spring Luncheon. Stay tuned for more details. If it snows, go play and have some fun. Stay warm this winter! Go Grizzlies!

Best,

Sally

John Hennes

We lost a magnificent long time Grizzly **John Hennes '51** on January 19th. John's memorial was held on February 11, 2023.

John was such an important member of our alumni association, working hard for the KUAY newsletter since 1982, QAHS history and archives, scholarships and may other areas where he supported our work. He was also a member of the Queen Anne Historical Society.

He was very proud of the KUAY newsletter and his contribution to maintain the quality and consistency of this publication for so many years. I have been so graced to know John and getting to work with John on the KUAY.

John will be honored at the spring Luncheon on April 29th and in the summer edition of the summer KUAY.

## M.V. KALAKALA (1935-1967) – Shaken But Not Forgotten

By Claudia (Kettles) Lovgren '65

Seattle has many noted architectural structures on land. The M.V. Kalakala (Chinook for "flying bird") was its most noted memorable structure "on sea". The wonder ferry was voted the second most favorite tourist attraction after the Space Needle during the 1962 Seattle World's Fair. Fortunately, we still have the Space Needle.

Purchased in 1933 as the burned hull of the Peralta (Oakland to San Francisco ferry) by the Puget Sound Navigation Company (Black Ball Line), it was towed to Kirkland (then Houghton) to be transformed into stunning art deco redesign. The Naval Architect was Helmuth Schmidt, QAHS 1910 graduate.

## Editor's Notes

Roxi Ko

Happy 2023 everyone! I hope you all had a wonderful end of 2022 and this new year is starting off right. I started a new job last summer and I'm back

working in the commercial real estate world as a marketing associate, this time for a company called CPX! The people are great and I get to work from home half the week, which allows me to spend time with my cat Snackie Pawbinson (named after the great Jackie Robinson) while I'm working. What a treat! It's been great so far and I'm happy to be back in the "corporate" world - they even allow jeans in the office!

I also continued participating in makers markets around Seattle, and have really enjoyed that this past year. It's humbling to have so many people compliment your work, and it still surprises me to this day when people are willing to spend money on my art. It's such a nice feeling! This year I hit 700 sales on Etsy, which feels really awesome and is quite an accomplishment! I'm looking forward to growing my business even more this year, and expanding into new mediums and art forms and continuing to explore and expand my creativity! Check out my work at [roxikodesigns.etsy.com](https://roxikodesigns.etsy.com)

The new bridge and wheelhouse were built out of copper, with a 3000- diesel horsepower engine to reach 18 knots making it the largest and fastest ferry on Puget Sound with 2000 passengers. There were many luxurious features, also. There were velvet covered chairs, ladies lounge, full galley, sun deck, bar and showers for the shipyard workers since the ferry was the Seattle-Bremerton run. With extended runs during WWII, this also made it a tourist attraction with evening cruises especially with the Flying Birds dance orchestra.

There was another well remembered "feature"-the vibration. A heavy vibration was due to poor alignment of the engine during the rebuild. It was corrected by 40% in 1956 when the propeller was replaced.

Fellow classmate Paul Christensen was fortunate to have been part of the crew for two summers on the Kalakala:

"My duties on the Kalakala had changed. I was now experienced from one year of summer work. I now worked on the deck and had opportunities to steer the boat under the direction of the Captain or First Officer. It was a small wheelhouse, almost dome shaped, and all copper with porthole windows. While underway, the boat did shake quite a

## Annual Meeting tucked into the middle of the Spring Luncheon - May 21, 2022

**Board Members Present:** Claudia (Kettles) Lovgren, Roger Jensen, Maggie (Nichols) Birch, Kim Turner, Kathy Gaylord, Janis Bridges Jenkins, Jeanne (Hayes) Warren, Sherry Moody, and Mary Cooke

**Board Members Absent:** Sally Villaluz Ghormley, Shirley (Niebuhr) Kankelfritz, Jim LePenske, Jackie (Moore) Zobrist, Steve Haynes, and Mike Warren

**Association Membership & Alumni:** The same as the “checked-in” list at the Spring luncheon.

**Election of Board Members:** As all the Grizzlies present rested, satiated from their yacht club luncheon, our host Roger Jensen presented the following slate of Board members for re-election and called for a vote. I am happy to report that everyone was re-elected unanimously to a 3-year term:

- Sally Villaluz Ghormley, Class of '79 – President
- Maggie Birch, Class of '64
- Kathy Gaylord, Class of '63
- Jim LePenske, Class of '62

With the business portion of the event completed, the frivolity resumed.

Respectfully submitted by, Mary Cooke, Recording Secretary

bit. I am told that they had repaired the boat since WWII to take most of the shake away. I worked the boat the following summer and was on the Kalakala for its last official scheduled trip.”

Cars became larger after the war reducing the Kalakala's capacity by 40%. It was auctioned off and relocated to Alaska for fish processing eventually being grounded in Kodiak. Efforts to restore the ferry failed. The Kalakala was purchased by the Kalakala

Foundation and floated back to Seattle in 1998 to be restored only to be moored and later evicted from Lake Union as an eyesore and sent to Neah Bay, then Tacoma. Eventually parts were sold off. Some were purchased by the City of Kirkland and the wheelhouse can be found facing Puget Sound and the Seattle skyline at Salty's on Alki. So fortunately we DO have a bit of the much loved shaker “Silver Slug” (one of its nicknames).

The stunning postcard featured is by another classmate John Daughters:

## Grizzly Goodbye Salute

By Claudia (Kettles) Lovgren '65

At a memorial service on November 12th, we said goodbye to fellow board member James A. LePenske Jr. (May 24, 1944 - Oct. 15, 2022), class of 1962. James was a Queen Anne Alumni Association board member since 2016 and a donor since 2009.

We enjoyed James' wit, wisdom, generosity and participation. Along with his brother-in-law, he transported Al's grill to our annual Alumni picnics.

His family's story of having to give up their home for the building of Catherine Blaine Junior High School is in the "Magnolia Midcentury Memories" book.

Along with James being of service to our school, he was of service to our country. In 1966 Jim enlisted in the United States Army attending flight school when he was stationed in Arkansas as a warrant officer. As a member of the 92nd assault helicopter company Stallions, James went to Viet Nam on numerous tours, flying Hueys for medical evacuations as well as Blackhawks and Chinooks. He was then stationed in Kentucky and Seattle. At his last station in 1983 in Heidelberg James served as Deputy Chief of Staff Operations manager providing planning, time

phasing and prioritization of aviation force deployment requirements. He proudly retired in 1992 as Lt. Colonel returning to Seattle.

The following is an excerpt from letter on display with many mementos of James extraordinary life at his memorial:

"What the Code of an Officer Means to Me by James LePenske

As an officer in the United States Army, I feel it my duty to serve my country and to uphold the Constitution of the United States. In this modern world of atomic power, campus riots, jungle warfare and political unrest, I feel it an even more important job. We are at war at home, just as much as in Vietnam. Our war at home is one against racism, poverty and lack of patriotism. As officers, we must face each problem with confidence that what we are doing is moral and right. We must feel our leadership is for the good of all the people. As officers, we must face each problem with confidence that what we are doing is moral and right. We must feel our leadership is for the good of all the people.

As officers we represent the United States on foreign soil or in a small section of our country."

In this passage he is still serving our country well in so many capacities.

On a personal note, James was a member of the Vietnam Helicopters Association along with my uncle Lt.Col. Charles S. Kettles, 2016 MOH recipient for three treacherous helicopter rescues in one day, May 15, 1967 in Viet Nam. James met my uncle at a VHA event a few years ago in Puyallup. He thoughtfully and generously gave me his copy of their magazine with my uncle featured on the front cover (which my uncle modestly had not told me about!).

We are honored to have had James as a fellow Grizzly.

## Our "2nd Annual" All Alumni & Friends Homecoming Dance at last!

By Mary Cooke '79

On November 19, 2022\* my night got off to a wonderful start when my honey gave me a corsage for the Homecoming dance. Then 40 some groovy Grizzlies gathered together at the Ballard Elks Lodge as we finally held our "2nd Annual" All Alumni & Friends shindig with Ron Bolin spinnin' the tunes and getting everybody out of their seats. We had some great grub from the Husky Deli (ironic) and the spirits were flowing at the watering hole.

\*Yes, this was the night of the UW Huskies last home football game of the year, but anyway...

It seemed like a good time was had by all. I saw that some classes had either planned ahead or just naturally sat together – a big shout out to the Class of '78!

Claudia Lovgren, Class of '65, and I traded turns on the dance floor and selling behind the merchandise table – it was fun to see her get Disco Fever and fly onto the floor. A big thanks to all those who got some new Grizzly gear to show off their school spirit.

The best thing I heard all night was from Craig Smith, Class of '69 who said that he starts each day saying, "Today is my new favorite day!"

We hope to see all of you in the fall of 2023 at the 3rd Annual All Alumni and Friends Homecoming Dance...and may the college football scheduling gods (dogs?) be on our side!

"As it says on the card, this was from a 9th grade Washington state history class with Mr. Davis at Catherine Blaine. He was known for his big, required reports, but we could choose the topic. I chose to do mine on the ferry system and poured myself into it. With my dad's help I set about taking photos of the fleet with the Century 21 logo on each boat. 1962 was a great year to start at QAHS with the fair going on."

## Alumni Scholarships Return For 2023

By Kerry McMahan '54

The Covid-19 pandemic, which has so affected our nation and all of us, resulted in the suspension of the QA Alumni Scholarship Program in 2021. It was the first time since the program started in 1983. Since our beginning, the Association has awarded 696 scholarships, totaling \$376,000.

Schools have reopened this past year and, despite difficulties, we are again holding a Scholarship Program for 2023.

Remember that QA scholarship applicants can be college undergrads as well as high school seniors and trade school applicants, as outlined in the Policies on the website.

Those interested in competing for a 2023 award should **check the alumni website, [www.qagrizzlies.org](http://www.qagrizzlies.org)** and download the application, taking great care to follow the completion instructions for the application form and the cover letter.

**The deadline is March 31, 2023.**

## Class of '62 Reunion

The Class of '62 held their 60th Reunion on Saturday, August 27, 2022, as a luncheon at the Seattle Yacht Club. The 110 attendees had a wonderful time, extending the event until after 3pm. During the event, a silent auction was conducted for bottles of wine and newly published book on wine donated by Jim "Doc" Wilson '62 and a Chris Bolen '61 large print of QAHS donated by Bonnie Allen '62. Proceeds were donated to the QAHS Scholarship Fund. Each table had a QA Mug donated by Burt Walls '62 that was given to one at the table by lottery. Memorabilia tables and picture boards were set up to remind classmates of their HS years and earlier reunions.

## WHO'S NEWS: FEBRUARY 2023

By Kim R. Turner '61

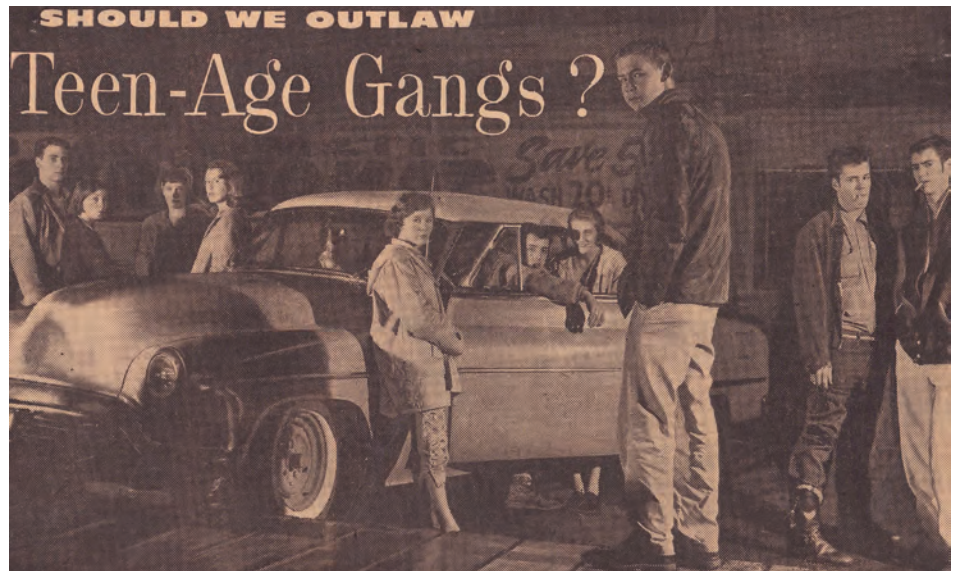

1940s

**Bill Gerard Knight '48** has written a memoir: "Magnolia to the Majors: memoirs of a native son who helped write the history of Seattle sports." His personal sport was playing alongside teammate **Bob Houbregs '49** who went on to fame at UW and as an NBA player. Bill writes of covering Bowl games and other post-season playoffs. He also covered the Iditarod dog-sled races in Alaska. His career as a sportswriter lasted 43 years. His newspaper career was a reflection of his grandfather, noted photographer and newsreel cinema-tographer, who worked on the Seattle Post-Intelligencer early in the 20th century.

1950s

**Ruth A. (Reynolds) Hubbard '51** has downsized from a seven-room house to a two room home in Sedro-Woolley, WA. She had seven children, and now enjoys 70 grandchildren and great-grandchildren with another "great" on the way. **William Silverthorn '54** and brother **Harry Silverthorn '55** have both died, Harry on October 16, 2021 and William on September 9, 2022. William's daughter, Patricia, notified us of their passing. She remembers their having taken her to see Queen Anne High School several times. The brothers took great pride in being Queen Anne Grizzlies. William always looked forward to receiving the KUAY.

**Marian Hailey-Moss '58/9** sends word that her book, "A Dog Named Randall" is still available on Amazon, or via Kindness Books, 210 West 90th St. Suite 3M, New York, NY 10024. **Margaret DeLacy '59** reports the death of **John Shelton '58**, who died October 13, 2022. John graduated from UCLA and had a successful career as a psychiatrist.

*John Shelton and Ron Gillette Seattle PI Class of 1958*

Margaret's husband **Ron Gillette '58** was a dear and close friend to John. They had fun at Queen Anne, but mostly hanging out at the "Greasy Spoon" Kuay Hi-Spot. (ed. Note: accompanying photo shows John and his wife Carolyn, with their dog, Calvin, taken last July. —John looks much the same as he did in high school!)

*John Shelton '58 with Caroline and Calvin*

1960s

**Sally (Sroufe) Webster '60** is living near Parker, CO at Heritage Eagle Bend Golf Club where she has been for some time. Loves 300 days of sunshine and little of "that Seattle 'wet' stuff." She worked close to 40 years as flight attendant for United Air Lines and NetJet. The latter as a Corporate Flight Attendant. She transferred her Passenger-

caring skills to become owner of two assisted living communities for ten years. She sold before COVID hit. Now it's just golf "or shall I say pretend golf." **Mike Crutcher '62** died of cancer at his home in Magnolia where he and his wife Judy had moved in 2009. They also kept a home in Louisville, KY, where he had worked 20 years as general counsel at the Brown-Forman Corporation, owner of Jack Daniels. He graduated from Yale University and Harvard Law School. He loved fishing.

**Barbara (Amies) Lyons '62** sends a photo of her sister **Renee Amies '63** wearing the Queen Anne scarf (ed. note: mine has also seen heavy use this winter.) **Jeffrey L. (Jeff) Lee '64** writes from Bangkok, "After Queen Anne, he attended Olympic College

at Bremerton, then U.W. briefly, but a family emergency forced him to return home to Bangkok. He had hoped to return to U.W., but the death of his father changed his plans. He would like to contact old friends from '64. A few names he remembers are Mike Sullivan, Al Malosky, Ms. Patricia Bergets "Patsy." He sends warmest regards to all Q.A. alums of the early 1960s.

**Bob Wilson '67** sends a great photo of the **1967 Grizzly Men's Hiking Club**, taken at a restaurant named Gear-A-Deli in Anacortes. They had been hiking the Bowman Beach Trail near Deception Pass on July 6, 2022. Note all the different local product logos from the "olden days" posted on the wall behind them. The lads are, from left to right: **Ron Wilkinson, Dean Jackson, Terry Harrington, Gary Christopher, Greg Beard, Bob Wilson, Don Campbell, Jack Shope**, and **Bill Caton**. Bob sends us another photo of several Grizzlies at Chelan Mahogany and Merlot, taken on October 1st, 2022. Again, left to right: **Rich Hook, Bob Wilson, Linda (Bridges) Stone, Cathy (McDonnell) Hook, Teri (McGuinn) Beard '68** and **Greg Beard**. All but Teri are Class of '67. Bob Wilson sends a third photo and story: **Tom Jones '67** plays bass guitar for his daughter Stacy's blues band, called "The Stacy Jones Band." The accompanying photo shows Stacy with dad, Tom Jones in an outdoor setting, singing and playing sweet music together.

1970s

**Frank (Mike) Haney '76** sends news. His father, **Franklin A. Haney '57** died after a long bout with cancer. He retired from the U.S. Navy and later from the U.S. Postal Service in Seattle. He moved to Bismark, North Dakota, with his second wife Dianne. At his death he had five children, 14 grandchildren, and 17 great grandchildren. Frank's wife **Julie (Norris) Haney '75** retired in July 2022 after 35 years of nursing service at Saint Michael's Hospital (formerly Harrison Memorial Hospital) in Bremerton. Frank and Julie have been married 47 years and have three children and six grandchildren. Julie survived lung cancer which took her right lung, as well as open heart bypass surgery where she died and was revived minutes after her operation! Frank retired from the Kitsap County Sheriff's Office after 33 years of service. "I was awarded six Department Accommodations and two life-saving medals." Prior to this he had been ten years in the U.S. Army Special Operations Group, stationed at Fort Lewis, WA., Fort Bragg, NC, then in Alaska, Korea, Panama, Germany and The Netherlands. He received several medals while in the service. Then spent two years of service in Roy, WA Police Dept. and two years in the Yelm, WA Marshal's Office as a sergeant.

**Ed. Notes:** This issue of the KUAY has been delayed due to the accident which befell your WN editor, **Kim Turner '61** who fell down on Spring St. last Dec. 27th and broke two bones in his writing arm (a lefty). At the same time, our editor-in-chief **John Hennes '51** was hospitalized with complications of his cancer. Sadly, he did not recover and we are again in mourning. He was my mentor and co-compiler of Who's News, always trying to teach me the art of news writing ("keep in short!")

## Spring Luncheon - April 29 at the Seattle Yacht Club

By Mary Cooke '79

On Saturday, April 29, 2023 from 11am to 2pm we will gather once again at the Seattle Yacht Club for our Spring Luncheon and Annual Alumni Meeting. With its beautiful view of Portage Bay and central location, the SYC can be found at 1807 East Hamlin St., Seattle, WA 98112 between the Montlake Bridge and the 520 Bridge.

While we can't control the weather or the traffic, we know that once inside you will receive a warm welcome and see some "Grizzly" grins where we can share a sumptuous meal and our latest tales of adventure.

We have some new options for this year's menu - Flat Iron Steak, Lemon Salmon, or Spinach/Cheddar Quiche. A lemon meringue tart has been chosen for desert - sounds refreshing and delicious! There will be a cash bar, a 50/50 raffle, Grizzly gear for sale, and more.

A bargain at only \$40.00 per person, we hope to see you and a guest at this year's Spring Luncheon. You can find a coupon on the last page of this issue to use for reservations.

*Cake at '67 Reunion Picnic*

## Grizzlies Grazin' in the Grass

By Mary Cooke '79

On Saturday, August 13, 2022 the sun was smiling on us at around 72 degrees as over 100 QA grads and friends gathered at Magnolia Park. After a pandemic delay and a location change, we were back at the original QA Picnic location and everyone seemed very happy to see each other, at last!

The Class of '67 held their 55th Reunion at a dedicated table with a great cake by **Bob Wilson, Class of '67** – see attached not as great photo by **Mary Cooke, Class of '79**.

The QAHSAA provided soft drinks, water, chips, and of course – burgers and dogs.

The line for the grill seemed never-ending, until finally some “younger” grizzlies hopped in to save the day and got those grills humming. It is my understanding that they are planning on helping out at future picnics, hooray!

A lot of folks were ready to get some new Grizzly Gear – we had over \$600 in sales; the profits from those sales go to funding future events so, thank you and you're welcome – thank you for buying stuff and showing your school spirit, and you're welcome, now it will be easier for us to have future events for you to attend.

Stay tuned to the Summer 2023 KUAY for the dates of the next QA Picnic.

## Historical Moment Brings Tears of Joy

By Sally Villaluz Ghormley '79

North Queen Anne Elementary- now Cascade Parent Partnership Program- has been under a major renovation project. The contractors came across a chalkboard dated January 31, 1938. The signatures preserved on the board include best friends for life - Ruth (Hanson) Ghormley '42, Reidun (Gundersen) Meissner '42, Ardelle (Blunt) who recently passed away 7/21/21 and Margarete (Angeles) Ronning '42 who passed away 8/6/1998. They all did graduate from North Queen Anne Elementary and moved onto QA HS after January 31, 1938.

Neighbors of Ardelle's family saw the Seattle School District's post about the chalkboard on Instagram and passed the word onto Ardelle's daughter Debbie who coordinated with the contractors, Seattle Schools, and Ruthie's and Reidun's families to come together to see and witness this remarkable discovery. Thank you Debbie!

On June 8 2022, Sally was able to take Ruthie to see it. Ruthie lives right next door at Aegis. Aegis went the extra mile and styled her hair for this special occasion. There was representation from Seattle Schools, the Cascade principal, the architect, and the contractors. The group

helped Sally get her mom inside to see the chalkboard. The following day Debbie, Ardelle's daughter and Tim Meissner, Reidun's son were able to meet with Seattle Schools, the architect and contractors to also see this historical sight.

Seattle Schools plans to preserve the chalkboard; they will be putting a glass window in the wall so people can view it, as it is too fragile to relocate.

The ladies had visited their old alma mater back in 2014 prior to the renovation and met with the principal there.

## Ruth Hanson Ghormley '42 (Ruthie)

By Sally Villaluz Ghormley '79

Ruth Marie Ghormley (Ruthie) passed peacefully into eternal life on November 1, 2022, at the age of 97. She was born February 3rd, 1925 at Swedish Hospital in Seattle, WA to wonderful parents, Emanuel Hanson and Ellen Augusta Granquist.

Ruthie was a native Seattlelite, graduating from Queen Anne High School in 1942. She attended the University of WA and obtained her BS degree from the School of Pharmacy and met her beloved husband, Willard Howard Ghormley, who was seated next to her alphabetically by last name. Willard left UW to serve in the Army Air Corps during WWII and immediately upon his return in 1945 pursued Ruthie. They married on June 18, 1949. She started working at Brown's Bi-Rite Drug in Greenwood followed by Swedish Hospital, Alm's Drug for 25 years, owned a pharmacy in Tacoma for 8 years; it was inside the B & I Shopping Center where Ivan the gorilla lived. She also worked for the King County Department of Assessments, four ten-hour days and on the weekends at Hilltop Drug. This is where she

was held up for narcotics. She finished her career working for Safeway in their pharmacy retiring at the age of 82 after working in the field for 50+ years.

Ruth was a woman who wore many hats and had many talents. She shared her lifelong passion for arts and crafts, sewing, gardening and baking. Ruth was her daughter Jills' Campfire leader from Bluebirds all the way through high school. Those girls were very lucky having Ruthie as their leader sharing her joy in making all kinds of crafts with the girls. In 2009 Ruthie was presented the honor of Gardner of the Year by the WA State Federation of Garden Clubs belonging to North End Flower Club, Briarcliff Garden Club, Designers Guild and Seattle Civic. She was active for years at Queen Anne Lutheran Church, Queen Anne HS Alumni Association and later in life at the Ballard Senior Center.

Ruth is survived by her sister Jean McLaughlan; two daughters Jill Ellen and Sally Marie. Jill is married to Mark Rueber. They have two children Adam and Emily who is married to Jia Wern. Sally has two children, Jonathan Villaluz married to Vanessa and Anne Marie married to Luke Wyman. She also has many nephews, nieces, and cousins.

Best lifelong friends since 1st and 2nd grade were Ardelle, Lillian, Margarete (Polly) and Reidun (Ri).

Your family and friends love you and will miss you always. Go in peace.

# GRIZZLY ANGELS

Our Association is funded primarily by donations, plus sales of merchandise and raffles. We are unique among alumni groups in not having paid memberships. Your tax deductible gifts are greatly appreciated and needed not just to provide scholarships, but also to cover the KUAY, logo merchandise purchases and miscellaneous expenses. All our efforts are by unpaid volunteers. In these difficult times we hope you can find a way to help the QAHSAA continue its mission.
