Co-President's Message

By Janis Bridges Jenkins '69

Co-President, Jan
(Bridges) Jenkins '69

Happy 2024 to all of our amazing Alumni. Hope that you had a great holiday, that you looked back on last year with wonderful memories and are looking forward to the

New Year ahead of us.

2023 gave us opportunities to gather. Both the Spring Luncheon and annual picnic were well attended. We did cancel the Fall Dance due to low responses. However, we are considering changing things up a bit for 2024. If you would like to have input or work on the committee, just let one of the Board know.

Your Executive Alumni Board is going through many transitions. Kathy Gaylord '63 has stepped down from her Treasury position as of last August. Thank you, Kathy, for serving as our Treasurer. We wish you the best and hope we will see you at our events. On the brighter side, we would like to announce that Steve Haynes '61 has accepted the Treasurer position. Thank you, Steve, for stepping up and filling this vital role.

We are very sad to announce that Mary E Cooke '79 has submitted her resignation from her Recording Secretary position on the Board as of November 2023. We cannot thank Mary enough for her dedication to this organization and her willingness

to serve on many committees with a consistent smile on her face. She will truly be missed. We wish her the best and know that we will still see her at our QA events.

We are always in need of more participation from other Alumni. We have a very urgent need to fill the Recording Secretary position. All of our meetings are on zoom on the third Wednesday of each month at 7PM. These meetings usually last only about 45 minutes.

The Alumni Board has 12 committees: Finance, Membership, Scholarships, Events, Social Media, By-Laws, KUAY, Logo, Nominations, Website, Historical and Correspondences. We would really like to encourage you to seriously consider one of these committees. Most committees have a "chairperson" but need extra hands and minds to make them more successful.

Thank you in advance, GO GRIZZLIES!!!

Zobrist Scholarship Bio

By Claudia (Kettles) Lovgren '65

The following bio of the involvement of L D and Jackie Zobrist in the Queen Anne Alumni Association submitted by them.

You will get a brief overview of all the responsibilities that the Zobrists are responsible for when you read the back page of the KUAY. They

also bring the food and equipment to make our picnics the summer fun that they are. L D and Jackie are also the generous gracious hosts for the QAHSAA Board Holiday party in January.

Much gratitude to the class of '63 for the new scholarship fund established in their name. The Zobrists truly need to be honored for their long dedication.

L D '62 and Jackie (Moore) Zobrist '63 began their involvement with the QAHSAA as many have, becoming an active member of their class reunion committee. After they returned to Seattle in time for their 20th reunions in 1982 and 1983, they have been actively involved every five years thereafter including their 60th reunions in 2022 and 2023.

Their direct involvement with the QAHSAA Board began in the early 1990s when L D used his computer

Happy 2024 everyone! Hope everyone is having a great year so far. The end of my 2023 was very eventful. I went down to

the Oregon Coast with my family for our yearly trip and right before I left, I found out my company was getting acquired and they wanted me to come along. I ended up losing a lot of coworkers during that process as they only brought a few members over, but I was honored to be chosen. Now I work for a larger commercial real estate firm as a marketing specialist!

I also continued to grow my small business and did a few more markets during the end of the year, which turned out great! I've also enjoyed improving on more crafts such as embroidery, painting and digital illustration. I was also recently asked to create a design for a new apartment building in Seattle to be used for promotional swag. It's been pretty exciting, and I love an opportunity to use a medium I don't always work with!

I'm so blessed to be able to continue to work on my small business and have so much support from not only my friends and family but other small business owners, people I've met in person and people that have found my work online too. It's humbling every day, and I really do love to create whether I have an audience or not, and I will continue to work on my creativity and expanding my skills and talents in this new year! I am going to be a vendor in more markets this year as well, so I look forward to meeting more amazing people along the way! Check out my work at linktr.ee/roxikodesigns

Acknowledgments

Every year we thank our alumni board and other volunteers who keep us going. None of our alums are paid for what they do. All Grizzlies owe these people many thanks. Without them there is no alumni association. We also acknowledge the following supporters. We need all of you. Please join in!

Kindnesses—Our Thanks to:

Robert Wilson '67, Beth (Wassenberg) Guislin '67, Pam (Lohrer) Lucarelli '61, Terry Howard '52, Ardena (Bramwell) Pendleton '56, Pat (Sykes) Ronhaar '47 and the **Class Committees** for continuing to screen newspapers for the death notices used in our Memorials. We appreciate all those who write us about our fellow alumni passages. Additional thanks to Beth for her diligent research finding lost or deceased classmates.

We offer great thanks to **Maridel (Fliss) Whitman '73** who did most of the grilling at our summer picnic and then others who helped set up tables and chairs, etc. for the picnic goers and then helped clean and pack up.

Memorabilia Gifts—Our Thanks to:

Larry J Werelius '62, for hand-made jewelry necklace for the Scholarship Fund at the Summer Picnic. **Nancy J (Trout) Gould-Hilliard '58** for numerous yearbooks, letter sweater, baseball letter and 1953 Seattle Champion Football Letter.

skills to provide technical support to the series of volunteers updating the alumni membership database. When it became necessary to upgrade from DOS to Windows in 2000, L D created the current membership database system that supports KUAY mailings, event registration, Grizzly Angels and deceased records for the KUAY and several other functions. The big changes in involvement came in 2007 with the retirement of long-time Board members Hal Will '44 and Francis (Chapman) Harris '35. L D took over membership management from Hal, and Jackie was elected to the Board as Corresponding Secretary replacing Francis. In addition, L D and Jackie reorganized logo merchandise management, started an inventory control and ordering system using QuickBooks still used today and created a process for building and maintaining kits of Grizzly Gear to sell at reunions and events.

Don Thompson '57 created and maintained the QAHSAA website starting in the early 2000's, and L D began supporting Don with content to be posted. Later, after Don left the area, L D became more involved enhancing the Class Directory Pages and posting deceased and missing lists by class, updating the Reunions page and developing the Logo merchandise page so alums

In 2014, our Treasurer, Anne (Messenger) Jordens '63 passed away leaving no qualified and willing Board member to assume her duties. L D, who was already assisting Ann with Board reports and tax filings, took on the full financial duties of Treasurer with the help of Jackie. The Board has elected Treasurers from the Board members, but in name only while continuing to look for a Board member with the skills to take on this important function. L D and Jackie Zobrist continue to play key roles in providing the administrative functions of the organization.

Who's News Is No News

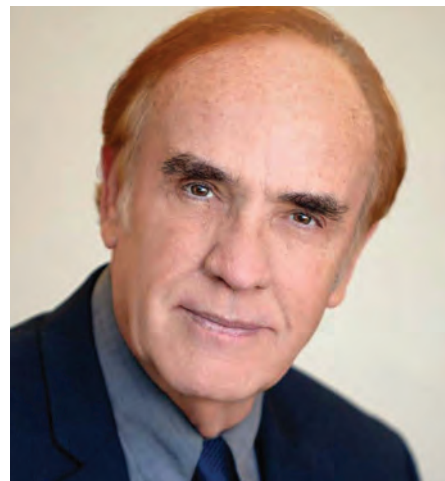

By Claudia (Kettles) Lovgren '65

Kim Turner '61 sends his regrets that due to a medical challenge he is unable to submit his Who's News Column for this issue.

In the meantime, I will drop a couple of names besides the ones mentioned in the articles about the current movies.

I had the privilege of thanking **Joy (Thal) Mann** (Chai '63 - our Drum Major) for making our downtown sparkle during the holidays with her stunning Hanukkah and Christmas window displays at Fox's Gem Shop (Sid and Berta Thal) in the Rainier Tower. And another thank you to **Mollie (Vinikow) Laurer's '63** (along with **Garry Breitstein's '65**) grandfather who made it a holiday year round with his creation of **Frangos**. Both were at the class of '63 reunion.

The KUAY welcomes your return, Kim!

Gene Butler, Actor ('65)

By Gail (Hobson) Martini-Peterson '62

Eugene "Gene" (Huisman) Butler ('65) was born in Macon, Georgia, but he and his mother moved to Seattle and Queen Anne High School where he found himself taking Drama classes from Mr. Jay Paulette. Mr. Paulette inspired many students including Gene to become an actor.

He remembered a funny, embarrassing incident when he was a freshman at Queen Anne and playing the role of a praying priest in the King and I starring Bill Mueller and Helen Faber, 1963. He had a mild wardrobe malfunction that still makes him turn red and then laugh. He eventually made his way to Los Angeles and there he became a full-fledged actor with starring roles in TV, film and on stage. Some TV series he acted in were: Dynasty 1989 2 episodes, Believe in Eve 1991, Hunter 1989, Walker, Texas Ranger 1995, Matlock 1990, McGyver, Charlie's Angels, Beverly Hills Cop II and a long list of others.

He was nominated in 1977 for the Joseph Jefferson Award for an Actor in a Principal Role for his performance in P.S. Your Cat is Dead at the Pheasant Run Theatre in Chicago, Illinois. He did some writing, directing and producing of two evenings of one-act plays at the

Who is Gail (Hobson) Martini-Peterson?

By Gail (Hobson) Martini-Peterson '62

I graduated Queen Anne High School in 1962 and attended Seattle Pacific University (College then) and the University of Washington graduating in 1966 with a degree in English Education. I then taught school in Bainbridge Island, Honolulu and Seattle Public Schools for a total of 32 years, retiring from Hamilton Middle School in February 1998.

After retiring I joined the Society of Children's Book Writers and Illustrators where I held several offices over 10 years. I worked as an editor on two of the Magnolia history books published by the Magnolia Historical Society. I am published on the Internet and in several newsletters. In 2022 I volunteered as an editor on the KUAY and am writing articles I hope the alumni will find interesting.

Note: The KUAY welcomes Gail's talent and editing assistance with gratitude.

Joel Pritchard

Pickleball, a Popular New Sport

By Gail (Hobson) Martini-Peterson '62

Joel Pritchard, born May 5, 1925, graduated from Queen Anne High School in 1944. When he graduated, did his classmates realize he would become a remarkable politician and inventor? Most are not around to ask.

Joel served two years in the Army, attended Marietta College far from home in Ohio for one year, and returned to Seattle to work for Griffin Envelope Company where he soon became president of the company.

While working at the envelope company, he went to the Republican National Convention in 1958 where they nominated Dwight D Eisenhower for president. He then ran for and served in the Washington House of Representatives from 1959 to 1967. Next, he was elected to the Washington State Senate (36th District) for one term.

In 1972 he ran for the US House of Representatives a second time, and this time he won. He was then easily reelected and served there until 1985. He next sought the position of Lieutenant Governor of Washington and was elected in 1988 and served until 1997, two terms.

In about 1965 he owned a summer home on Bainbridge Island where he and his family would spend the summers. But you know how kids moan and complain that they are bored? His kids were super bored with swimming in the Sound, walking the beach, biking around the island and playing in the sun. Poor kids. Joel joined together with two island friends, Bill Bell and Magnolia resident Barney McCallum (McCallum/Seattle Envelope). There was a badminton court available where they lowered the net. In the garage using some spare plywood, they constructed some paddles like large ping-pong paddles and using a Nerf ball, they created a game combining tennis with ping-pong that they soon called Pickleball, named after the Pritchard's dog, Pickle, who chased after the Nerf ball.

That was 1965. It has taken some time, but by 2020 Pickleball has become the fastest growing sport in the United States. The reason for its popularity is that learning the game is quick, so now it is growing outside of the United States.

So, a fun new sport came from a Queen Anne graduate, politician and his summer friends.

Fast Food Haunts

By Gail (Hobson) Martini-Peterson '62

Dags hamburgers with the Beefy Boy logo, a 19-cent burger joint, for years was the Queen Anne High School fast food hangout, and if you had a car, or a friend with one, you could be “seen” at Dags on Aurora. Queen Anne students undoubtedly keep them in business.

That location was originally a stonecutter who sold monuments with epitaphs. It was owned and run by the Messet family, but when the elder died, Ed and Bo Messet developed a fast food restaurant on the site. This was in 1959.

The Messets used strange and screwball promotions, like a credit card that said it was good only when accompanied by cash. According to Paul Dorpat (Seattle Times), its reader board sported many humorous sayings. In 1962 when “Century 21, Worlds Fair” took off, according to John Redden, a Seattle Times humorist, they served 400 steers a year and four tons of French fried potatoes each week.

On the other hand, if you were a Ballard High student, the place to go was just across the street at Zesto’s. It started ahead of Dags in 1948, run and developed by the Pattok family from Grand Rapids, MI. At the time Zesto’s was a national franchise that had developed the first continuous-feed ice-cream dispenser. Later the franchise disbanded and its restaurants were on their own.

It sported a neon soft-serve ice-cream cone, eventually a ’57 Chevy Bel Air on the roof and red vinyl booths. Zesto’s was known for large food portions. If you were a Ballard High student, that’s where you could be seen.

Zesto’s closed in 2012, replaced by RoRoBBQ, and later El Camion Mexican restaurant. In August 2021 the restaurant burned, and it will soon be home to a six-story, 74 unit mixed-use building.

Grizzlin’ And Grillin’ In The Park

By Shirley (Niebuhr) Kanklefritz '61 Events Chairman

On a perfect (!) Seattle day the QA Grizzlies met at Magnolia Park for our annual picnic on August 27th. It was very well attended with a count of 129 alums. The class of '73 did a great job of grilling hamburgers and hot dogs. Sales of QA merchandise were brisk, so Grizzly grads are better dressed.

In particular Malcolm Boyles '66 and Steve Shelton '66 took donations for the Coach Tim Moody QA '66 Scholarship at Franklin High School. Tim was a baseball, golf and basketball coach at Franklin for twenty-five years.

Everyone had a memorable experience reconnecting with classmates.

Looking forward to the opportunity of seeing you in August.

60th Reunion - QAHS Class of 1963

On August 18-19, 2023, 60 members of the Class of 1963 found their way to a casual, warm up event held at the Queen Anne Beer Hall. This late afternoon gathering gave us all a chance to catch up, add to our high-school memories and share a fun-filled afternoon.

The next day, 83 class members and guests gathered for a plated, sit-down luncheon at the Seattle Yacht Club. MC, Ron Adams, reminisced about our years in high school, shared some thoughtful insights into teaching high school students over the years and generally helped us interact and respond to the various activities planned. Several donations were received and presented at the silent auction tables along with an invitation to contribute to the Class of 1963 Scholarship Fund, created by the reunion committee members: Linda and Reid Shockey, Julie Sachs Grant, Alden and Connie Graebner, Mary Germeau, Roger Bass, Kathy

Gaylord, L D and Jackie Zobrist, and Ron Adams.

Behind the scenes, Roger, single handedly, solicited contributions from several classmates who eagerly pledged significant contributions to the scholarship fund before the reunion. At the luncheon, Reid prepared and read the following surprise Proclamation:

The legacy of Queen Anne High School and all the memories shared by the thousands of students who walked its hallways from 1909 to 1981 is the product of those few people who have gone above and beyond the call to maintain the memory and ensure that the detailed planning is managed for the class reunions that bring us together every ten years.

Two classmates in particular have risen above others in their dedication to preserving the legacy, and we the Class of 1963, choose to honor them for preserving our memories and our reunions.

The Class of 1963 has created a Scholarship Fund to benefit relatives of its classmates in their future educational pursuits. We do hereby proclaim that the Scholarship Fund shall now be named the

**JACKIE AND L D ZOBRIST
SCHOLARSHIP FUND**

*With gratitude, your 1963
Classmates*

Although utterly surprised, L D and Jackie accepted the recognition with grace and appreciation. To sweeten the contributions, Roger and Julie conducted a live competition among classmates to see who could come up with additional donations. Our contributions totaled over \$12,000!

We invite any former students of QAHS to join us in this effort to acknowledge the 40-year commitment to our alma mater by the Zobrists by also donating to this scholarship fund.

But Gene isn't only an actor. He also has a band that plays Country-rock and some Country for people who don't enjoy Country. He writes music and plays a guitar. He just came out with his seventh album entitled Born Inside a Hard Rock. And finally he is a writer.

Leslie Richard Groves, Jr.

Lieutenant General Leslie Richard Groves

By Gail (Hobson) Martini-Peterson
'62

Did you know that Leslie Richard Groves, Jr. who oversaw the construction of the Pentagon and directed the Manhattan Project that developed the atomic bomb during World War II was a Queen Anne grad? He was born in Albany New York in 1896, but his family moved to Seattle. He entered Queen Anne in 1913 and graduated the next year. Our school was only five years old at the time. He also briefly attended the University of Washington. There is a park named for him near Hanford in Richland.

Matt Damon played his character in the movie, *Oppenheimer*.

"The Boys in The Boat" Helped by QAHS Grad

The recently released movie, "The Boy's in the Boat," dramatizes the University of Washington eight-oared crew that stunned Adolf Hitler after recovering from a chaotic start to win the gold medal at the 1936 Olympic Games.

James "Jim" B McMillin, the tallest member of that Husky crew, was a QAHS graduate from the class of 1933.

McMillin, who became a rowing coach at Massachusetts Institute of Technology, worked as a Boeing Co. engineer and lived his last 47 years on Bainbridge Island. He died on Aug 22, 2005 in Bremerton, but his legacy continues today.

GRIZZLY ANGELS

Our Association is funded primarily by donations, plus sales of merchandise and raffles. We are unique among alumni groups in not having paid memberships. Your tax deductible gifts are greatly appreciated and needed not just to provide scholarships, but also to cover the KUAY, logo merchandise purchases and miscellaneous expenses. All our efforts are by unpaid volunteers. In these difficult times we hope you can find a way to help the QAHSAA continue its mission.
