Scan the Auction Table as you move on to browse the Merchandise for QA Grizzly logo wear. No credit cards please for purchases.

If you have QA/Grizzly treasures, and are "down sizing" or you feel it's time to have someone else enjoy them, we would like to have them for the auction or our archives, please indicate which.

## Alumni Picnic Moves to Saturday

by Claudia (Kettles) Lovgren '65

The annual QAHS summer picnic will occur on **Saturday, August 25, 2012**, at Gas Works Park from 11:30 am to 5 pm. A Sunday date was not available this year.

All grizzlies are invited to escape their winter dens for a tasty summer feeding on burgers and dogs (HOT dogs) at the grill from Al's Hamburger Place. Feel free to bring a salad, casserole or dessert to paw through, and, if we are as lucky as last year ... there will be SUN! Don't think the grizzlies will lose their appetites if it is the other thing, and there are large covered areas for classmates to "ketch-up" and fine dine. We always get a good turnout, come and visit with your fellow Grizzlies. The QA Picnic is open to all our alums. **Your donations (suggested \$5)** are needed to help cover rising park rent and food cost.

The **Gas Works Park** is at the north end of Lake Union and parking is available (Meridian Ave. N. and N. Northlake Way). For detailed directions visit [www.qagrizzlies.org](http://www.qagrizzlies.org).

## 30 Years of QA Scholarships

By Kerry McMahan '54, Scholarship Chair

This is our 30<sup>th</sup> year of awarding Queen Anne Alumni Association scholarships. During that time hundreds of Grizzlies have gifted the program with donations large and small. The result is that 439 scholarship awards, totaling \$220,000, have been provided to Queen Anne grads and their descendants. All Grizzlies are indebted to our loyal alums that have supported the Association all these years.

To mark our 30th anniversary, the board of trustees authorized a one-time 30th Anniversary Scholarship of \$1000. Following a careful review of all candidates, we designated one of this year's top achievers, Will Mittenenthal, as our 30th Anniversary recipient. Will and his family were present at the spring luncheon to receive his award.

### Hard Times in America

These are hard times for all of us. We can see it here at the QAHSAA in the greatly reduced number of alums who are able to make donations to the Grizzly cause. As our revenue decreases we are having to make some difficult choices.

**Our annual participation in the Magnolia Summer Festival will be dropped this year.** However, our summer picnic is still on and will again be held at Gas Works Park, so weather will not inconvenience our festivities.

We are informing you of the close-to-the-bone finances we have for operating funds. As many of you know, **we rely completely on donations** for our two purposes: building a scholarship fund for descendants of Queen Anne High School alums, which will someday continue of its own volition; and covering the **costs** of the KUAY production and our alumni events. As other alumni organizations inform their constituents of monetary needs, so do we—the main difference being that they charge annual fees for membership in the organization. Because of our reliance on donations, we are not bringing in enough revenue to fully cover the operating costs for each year, and the scholarship monies are not available for any other purpose. We are reviewing other options to reduce expenses, which may include reducing the KUAY or eliminating the spring luncheon.

Thank you for supporting us over the years, and keep us in mind when windfalls come your way.

## Acknowledgments

compiled by John Hennes '51

The Association owes many thanks to our Board and regular supporters for the hours they put in on the database, the KUAY, the website, handling merchandise, organizing luncheons and picnics, donating raffle baskets and many other tasks. We also acknowledge the following supporters. We couldn't do it without all of them and we need all of you. Please join in!

### Kindnesses—Our Thanks to:

The **Ballard Boys and Girls Club** for providing meeting space for the board in 2012.

**Mike '67 and Alexandra (Dalinkus) Smith '67**, owners of **LeRoux Fine Apparel** in Magnolia Village, for selling our QA Alumni logo merchandise. Go take a look.

**Betty (Charouhas) Bebee '45, Terris Howard '52, Carol McGuinn '67, Bill Bloch '62, Allan White '54, Pat (Sykes) Ronhaar '47, Joye (Olson) Wyckoff '41** for continuing to screen newspapers for the death notices used in our Memorials. We appreciate all those who write us about our fellow alumni passages.

**Kerry McMahan '54** for sponsoring our luncheons at the Seattle Yacht Club and being emcee of the Spring Luncheon Scholarship Program.

**Ruth (Hanson) Ghormley '42, Glo (Gleason) Holcomb '46, Sherry (Peck) Moody '66 and Claudia (Kettles) Lovgren '65** for the luncheon decorations.

**Chef'n Products, David Holcomb '72** for continuing to offer raffle baskets.

**Mary (Gundrum) England, Pat (Wilson) Faller and Barbara (Wilson) Nelson, all '58, and other Grizzlies and many board members** for various raffle donations.

Teacher **Mr. Marv Hartley** for donating for auction two QA Lunchroom tokens from 1910, given to him by Principal **George Farmer**.

**Lee Monteith '47** for his clarinet and **Bob Johnston '49** for his singing voice, both enhancing the spring luncheon.

### Editor's Column by Elizabeth Weeks Pankey '68

Several topics came to mind for this column: my right hand surgery, welcome back **Gen. Peter Chiarelli**, newsletter operating cost donations, articles to **John Hennes**, congrats to scholarship winners and the number of paw prints in the February 2012 issue.

After finishing the February issue, my hands began to hurt more and more. After painful tests it was determined I needed carpal tunnel surgery. My right hand surgery was May 10<sup>th</sup> and I'm doing much better now. Still have limitations, but that won't stop me from putting together this newsletter.

Welcome back, my classmate **Gen. Peter Chiarelli ('68)** U.S. Army retired. I am very proud of your service and success in the Army, and that's coming from a Navy junior (*wink*). Hope to see you at the QA 68 Golf Tournament, July 28<sup>th</sup>.

With the cost of publishing this newsletter, we need your unrestricted donations for operating expenses. If each of you sent in \$5 for the year it would nearly cover printing and mailing of your 16 page newsletters. The QAHSAA has never charged for the newsletter, but we need more alums to join the generous Grizzly Angels.

Please submit all articles and photos to **John Hennes '51**, KUAY editorial board, [historian@qagrizzlies.org](mailto:historian@qagrizzlies.org) by January 4, 2013. My job is layout editor. John and the editorial board are the true content organizers of the newsletter.

Paw Prints in the last issue equal 20, or 21 if you include the bottom of the left paw on right picnic bear on page 9.

*e.w.pankey, editor*

**Claudia (Kettles) Lovgren '65** for the poster display of our very first scholarship winner, **Mike Bennett '79**.

**Margaret Lahde** for her years of volunteering at events as an honorary Grizzly.

Finally, our thanks to all those who have helped our Association to endure these 30 plus years.

**Memorabilia Gifts—Our Thanks to:**

**Gwen (Durham) Braile '39** from Belfair for a copy of the Magnolia News special edition of 6/3/81 with the QAHS Closing Commemorative section.

**Tom Ferguson '49**, of Bush Prairie, WA, for a 1949 Commencement Program.

**Did your class have its senior trip aboard a ferry?**

**Class of '68 did.**

Hey! Does everybody remember the Queen Anne High School Fight Song?

*Queen Anne High School on the hilltop, yes, you bet we're here,*

*And we have our team here with us, nothing do we fear - rah rah rah!!!*

*We'll make pie of any high, oh, that will be a shame, So fight, Grizzlies, Fight, Fight, Fight, we'll win this game!*

When we got to the line about “we’ll make pie” we’d turn to our friends standing next to us, roll our eyes, and just try to finish the song without cracking up. We didn’t want to make pie out of Ballard – we wanted to pitch them into the canal. We didn’t want to make pie out of Garfield – we wanted to whack them with a rolled up newspaper. With the creative minds that we had going for us, it would have been very easy to come up with some lyrics that more accurately expressed our true feelings about those rivalries.

It would have been a lot more affirming to me if we sang “We’ll stomp the fool out of your high school, oh, that will be a shame,” Or maybe special words for each school. How about “We’ll shove smelt up Roosevelt, ...” Or “We’ll coldcock that Sealth Seahawk, ...”

You could do stuff like that at the college level. “Bow Down To Washington” was originally written for the 1915 UW vs. Cal game, and it included the line “We’ll drag that Golden Bear, from his filthy lair, and they’ll never find his carcass in the morning.” But if we tried that in high school even once, it would have been an instant

suspension. Or we would have been expelled. Or even worse, we would have had to repeat Mister Beale’s math class.

There was another option to overcome the political correctness of the school administration, though. And that was the pep buttons that we sold for the Activity Room fund. But you had to be subtle, and timing was everything. We came up with a new slogan for every game, and after years and years of shaking their heads at our attempts at originality, the faculty pretty much stopped paying attention. We sensed that, and we betrayed that trust. You had to run into the Activity Room right at the deadline, make things as hectic and confused as possible, and get “Tommy” to approve the request in the uproar (*Miss Pauline Thomas, later Mrs. George Farmer-ed.*)

During my senior year alone, we got these buttons printed up and on the market: “Spay The Bulldogs”, “Heave On The Beavs”, “Spread The Eagles”, “Convert The Quakers”, “Give It To The Indians”, “Flush The Lincoln Logs” !

I’m just trying to get something started here, have some fun, and turn this into a regular feature. Do you remember some good stories about those old school rivalries? A really good button? A prank? If you do, send them to me at [emerson@raincity.com](mailto:emerson@raincity.com). I’ll help you write them up and we’ll get some of them into future KUAYs. I’ll make sure that you get credit for the story.

Then again, if you’re still concerned about the statute of limitations, we can keep it anonymous.

---

## Spring Lunch Celebrates Scholarship Program's 30 Years

By Claudia (Kettles) Lovgren '65

With tables full, the QAHS Alumni Association Spring Luncheon was held on a SUNNY (that's right) Saturday at the Seattle Yacht Club on May 19, 2012. Alumni Association President **Kim Turner '61** welcomed attendees and introduced the teachers present, as the association celebrated 30 years of the alumni scholarship program.

**Kerry McMahon '54** emceed the scholarship celebration. He has guided the program for most of its 30 years, beginning with 15 scholarships being awarded in the first five years and growing to 160 given in the last five years.

**Michael Bennett '79** was the first recipient in September of 1983. Michael is a graduate of Yale Divinity School, and in his recent letter of appreciation, displayed at the luncheon, noted that he has been serving as pastor at several New England churches and has now become the pastor at First Parish Church in Dover, New Hampshire—founded in 1603!

**Bob Johnston '49**, representing the Cantorians (wearing a maroon choir robe with gold satin stole), beautifully sang, a cappella, "The Impossible Dream".

Teacher **Marvin Hartley** donated historic lunchroom tokens dating from 1910 given to him by Principal **George Farmer**. **Kim Turner '61** and **Craig Smith '69** were the successful bidders. They can now receive a free lunch at the school lunchroom...if they can find it!

## The Death of Friends and Mentors

By Kim Turner '61, President

This last year has taken from me a number of Queen Anne friends whose lives made mine richer.

The first was **Helen Huycke Hill**, my Spanish teacher through three years of instruction and exposure to a culture not my own, but one which I still treasure. She was tall, dark haired, and one could easily picture her with a lacy mantilla set on her head. She died shortly after her 91st birthday, surrounded by her family. She is greatly missed by those of us lucky enough to have been her students.

The second loss is that of **Shuzo Chris Kato**, my chemistry teacher, who was also a well-known sensei to the many who studied martial arts under his training, and he was a black belt master of the arts. There were hundreds of attendees at the memorial service for him last February after his death from the cancer which he so nobly fought during the last several years.

**Frances (Chapman) Farris '35** was not only a blazing star in the alumni association, but gave us the epitome of “America’s High-School Sweetheart.” She died earlier this year, and a memorial service for her has yet to occur. I was lucky to call her friend. She knew my grandfather and some of my cousins in Walla Walla. Her gifts of time and energy on behalf of this association are legendary. She gave us a lot of fun and voiced concerns when we started to go astray. She is greatly missed.

**Stuart Prestrud '37** was both an alum and a community leader. Although most of his career was in banking, he was in the forefront of those whose generosity is legendary. We had a mutual love of postage stamps and libraries. The naming of the Queen Anne Library meeting room in his honor was a timely and right thing to occur.

**David Ishii '53** was a friend, comrade and mentor in the world of book collecting and in baseball, fishing and local history. We had been friends for the better part of 40+ years, and it was always a joy to visit his bookshop in Pioneer Square. It was the first bookstore in which I felt no guilt if I failed to find a book to purchase. We occasionally met during the SIFF and at other film venues. His presidency of the Book Club of Washington in the 1990s was a well-merited and fine term of focused, friendly stewardship.

The last death is not one whom I knew, but for those of you who were students in the late 50s at Queen Anne High: **Don Gallacher**, teacher at Queen Anne High School (1957-60), died on May 23, 2011.

## Angel Information

Our Association is funded primarily by donations, plus sales of merchandise and raffles. We are unique among alumni groups in not having paid memberships. Your gifts are greatly appreciated and needed not just to provide scholarships but also to cover the KUAY, logo merchandise purchases and miscellaneous expenses. All our efforts are by unpaid volunteers. In these difficult times we hope you can find a way to help the QAHSAA continue its mission. We especially need unrestricted donations. All gifts, whether for scholarships or general operating costs, are tax deductible, in keeping with a 501(c)(3) tax exempt organization. Thank you for keeping the Grizzly legacy alive.

Another Thank You note received from a proud grandparent of a QASHAA scholarship winner.

*Dear Kerry and Queen Anne  
Scholarship Committee,  
I felt honored that my grand-  
son, William Mittenhal, was  
chosen as one of the Queen Anne  
Scholarship recipients and also  
that he was the one to represent  
the new recipients at the Spring  
luncheon.  
Being with him that day brought  
back those fond high school  
memories. I just wish his  
Grandpa Art '54 could have  
shared that with me.  
Thank you for the generous  
scholarship.  
With much gratitude,  
Jan Totten Snyder '55*
