## Scholarship Deadline Nears

Heading into its 32<sup>nd</sup> year of awarding scholarships, the Queen Anne High School Alumni Association announces this year's **application deadline as March 31, 2014**. Because of thoughtful gifts from hundreds of Grizzlies and supporters, over 460 awards have been made over the years to descendants of QA alumni.

Completed applications for this year's scholarships are due by March 31. To receive an application, email [scholarships@qagrizzlies.org](mailto:scholarships@qagrizzlies.org); or write to QA Education Committee, 3025 NE 95th St. Seattle, WA 98115, phone 206-523-0079; or visit [www.qagrizzlies.org](http://www.qagrizzlies.org), where application forms can be downloaded.

In addition to the many academic scholarships there is also a **Trade and Vocational Scholarship** available. It is intended for use for certification or for a specific diploma from a technical or vocational school.

One of last year's scholarship winners writes:

*Thank you very much for selecting me as a recipient of the QAHS Class of 1952 scholarship. As you know I will be attending the University of Washington in the fall and these funds will help pay my tuition. Additionally, my grandmother, Janice (Wagner) Berquist '54 was thrilled that I was selected to receive a scholarship from her alma mater's scholarship fund. Thank you once again.*

Sincerely, Eric Berquist

## Rat-a-Tat-Tat

by Glo (Gleason) Holcomb '46

**Bert Pound '34** started beating the drums at Queen Anne High School. It served him well! When he entered the University of Washington in the fall of 1934, he was given a choice—join the ROTC or play in the band. Easy choice, and he beat the drums to the 1937 Rose Bowl (Huskies 0, Pittsburgh 21). Bert didn't miss a beat and marched with the UW Alumni Band as a prelude to the Huskies' home games for most of the next 76 years.

Pound was still pounding and marching Sept. 29<sup>th</sup> in 2013. When he arrived at practice, the UW alumni struck up the band to "Happy Birthday—surprise"! They presented him with his name on a new band jacket in recognition of his 97<sup>th</sup> birthday. The celebration continued when Bert did his famous one-arm push-ups for each score the Huskies made—what a Grizzly. Way to go! Keep up the *Rat-a-tat-tat*, Bert, the ladies are waiting to dance with you at the QAHS Alumni Association August picnic.

## President's Message

by Sherry (Peck) Moody '66

What a terrific summer this past one was. A bit hard to remember since the freezing cold weather we had in December. I hope that you enjoyed the holidays. Hopefully, one of your New Year resolutions is to be more active in your alumni association. We've had quite a few orders for QA merchandise, and we thank you for your support. Of course, you can place an order anytime. An order form can be found in this newsletter, and you can look at the web site

([qagrizzlies.org](http://qagrizzlies.org)) for order instructions, as well.

**You can continue your support with a gift to the alumni association, which is a non-profit corporation, and tax deductible. We are down in donations this year, so if you want another avenue to put your money to a good cause, this is it!** (See the coupon on p.14 or go to the website). These donations help maintain our scholarship program and the KUAY, as well as our picnic and luncheons. If you have not joined us for one of these events, please consider it. Your board puts a good amount of work into making them enjoyable for all. You'll be glad that you did!

Here's something to consider for class reunions. Reserve a table or two at either the fall or spring luncheon. We call them mini-reunions, and they have been quite successful. Our spring 2014 Luncheon will be on April 12, at the Seattle Yacht Club. If interested in a mini-reunion, please give **Jeri Samuelsen '63** a call at 425-791-5885, or email her: [events@qagrizzlies.org](mailto:events@qagrizzlies.org). Have you thought about attending one of our board meetings? We have them each month (except December) at the Ballard Boys and Girls Club. We meet the third Wednesday at 1767 NW 64th St., Seattle, 98107 starting at 7:15. It's always a lively group, and fellow bears are always welcome!

Your board consists of 15 hardworking alums, but there are several other alums that put in the same amount of time and effort that you should know. **John Hennes '51** is our historian, but also works on the KUAY and scholarship committees, to name a few. **L.D. Zobrist '62** works on five committees, chairs three, and has a new puppy. **Kerry McMahan '54** chairs the scholarship program, **Don Thompson '57** is our web master, **Elizabeth (Weeks) Pankey '68** is the KUAY editor, and **Dee Hawkes '54** handles the MWOQA (Men/Women of QA) which sponsors both a golf tournament and holiday lunch. **Jim LePenske '62** stores much of our picnic equipment, saving us storage costs. These folks are invaluable and I thank you!

This newsletter provides a great deal of information, twice a year. Additionally, you can obtain more specific information on our website: [qagrizzlies.org](http://qagrizzlies.org). Feel free to contact me or another board member if you have questions or comments. Your input is appreciated. Hoping to see you at an event ...

### KUAY & QAHSAA

The KUAY is published by the Queen Anne High School Alumni Association, free for members and friends of the Association. To be placed on the mailing list or to help with Association activities, write to: POBox 9128, Seattle, WA 98109-0128 or email: [info@qagrizzlies.org](mailto:info@qagrizzlies.org). Donations are enthusiastically requested, as they sustain the Association. Board meetings are generally held once each month and are open to all graduates. Phone Sherry (Peck) Moody '66 at 206-282-3585 for details. The QAHSAA is a 501(c)(3) tax-exempt organization.

## Editor's Column

Elizabeth Weeks Pankey '68

Caricature Dolls may well be my focus in 2014. At the 2013 International Society of Caricature Artists convention (mid November) at the Tradewinds Resort in St. Pete's Beach, Florida, I created 3 painted fabric caricature dolls in 3 days. Response was great and I'm encouraged to make more commercially.

This will be my final KUAY as layout editor. The stress and strain of putting together this 16 page newsletter coupled with my sensitive immune system forces me to resign. So the next generation of Grizzlies can take over the task. Any QA grads **with graphics experience** interested in the challenge are welcome to step up to their computers and jigsaw this baby together. I will help out as a consultant.

Thank you to readers who have let us know we are doing a good job. I give thanks to the KUAY editorial board members John, Kim, Claudia and Glo for their encouragement, friendship and proofreading skills. Thanks especially to John Hennes for his excellent organizing skills.

### FALL LUNCHEON 2013

by Kim Turner '61

The annual Fall Luncheon and election of board members took place at the Seattle Yacht Club on Saturday, October 5th, a bright and cheerful day. Over 130 attendees enjoyed a mostly programless get-together, with major participation by the classes of 1953, 1954 and 1960. Your correspondent celebrated the 1953 and 1973 city football championships with a little history of each team and the tie which binds them – Coach Lindquist was on the Garfield team whose only loss in 1953 was to Queen Anne. Lindquist,

an all-city player for Garfield, was to coach the 1973 Queen Anne squad to an upset victory over Nathan Hale for the city title.

Many raffle baskets were bid on, and one of the winners of two baskets, **Bob Taller '46**, gave his second basket (Chef'n) to board member **Claudia (Kettles) Lovgren '65**. Among other winners were **Gretchen (Surrey) Monteith '47** and **Lee Monteith '47**. We are already looking toward the Spring Luncheon on Sat. April 12th!

### **Four Loyal Alumni Association Friends Are Gone**

by Claudia (Kettles) Lovgren '65 and Glo (Gleason) Holcomb '46

The past year saw the regrettable passage of four Grizzlies who helped see our Association through its formative years. We do not have space for stories on all our deceased classmates (see the list of 151 names in the Memorials) but the following tell of four who were so helpful in keeping the QAHSAA and our Grizzly spirit going.

#### **Rick Malsed '63 (1944-2013)**

Fredrick (Rick) Malsed, class of '63 and 1985 QAHS Alumni Association President died this past June at age 69 in Palm Springs. He was a true lifelong Magnolian, and of course his dog was named Maggie. Rick, Maggie and his beloved MG toured the United States and Canada.

Rick was a longtime member of the Class of '63 reunion committee and, as Alumni Association president, organized the 2nd Last Hurrah celebration in 1985 at our old high school. Over 4500 Grizzlies gathered on Luther Field and toured the school. He also wrote a monthly column for the QA/Magnolia news. The December 29, 1999 column "A Malsed Magnolia Millenium Moment" can be found in the Magnolia Memories and Milestones book.

Thank you Rick for your care and enthusiasm for our community, city and most of all Queen Anne High School!

## MWOQA News

by Dee Hawkes '54

### QA GOLF FOR EVERYONE

In September, another successful Bob Houbregs Queen Anne Golf Classic Tournament was held at the Everett Golf and Country Club in order to raise athletic scholarship money. Making the putts and hitting long drives, over 80 golfers enjoyed the fellowship, food, and raffle prizes. Often they would have to step back while Grand Marshall Coach **Walt Milroy** showed them how to sink the long putts, and Grand Marshall **Walt Bone** gave his golfing advice to anyone who would listen. This time, there were several foursomes of ladies who set good examples of how to play the game.

Make plans to play some golf with the Men and Women of Queen Anne next September 15. If golf is not your game, come and hang out with the others for a delicious buffet and the awards ceremony.

### QA FOOTBALL: T-74 RIGHT

Sixty years ago, the 1953 QA football team won the city championship. Many returned to celebrate that honor by getting together at Bob's tournament in the afternoon. Players came from the teams of '52 – '55 to join them. For all those attending, the stories were told again, pictures were taken, and the championship trophy was on display. (Dr. Phil Gallaher had gotten it from Coach Dick Clark). This event was a special time to remember the glory days and to hang out together again. Of course, there were those who got weepy and nostalgic, including other classmates who were there for a good time too while remembering Queen Anne High School on the hilltop – a long time ago! Does T-74 Right or T-Quick Pass sound familiar?

Thanks for remembering.

## MWOQA Annual Christmas Lunch Makes Successful Move

By Craig Smith '69 and John Hennes '51

The 40th Men & Women of QA (MWOQA) Holiday Luncheon was held on Thursday, December 26<sup>th</sup>, 2013 at Anthony's Home Port restaurant in Ballard. The annual event was moved from its long time home at Rock Salt restaurant on Lake Union to the new location with the helpful support of Anthony's founder, **Budd Gould '58**. Parking was plentiful. There were at least 120 Grizzlies, friends and family attending, including many women.

The first Kathi Goertzen Courage Award was presented to **Glo (Gleason) Holcomb '46** by **Don Lorentz '60**. Glo was unable to attend and her award was accepted by her daughter **Molly (Holcomb) Leise '72**. Glo has been involved with Queen Anne and the alumni for decades. Glo wants to express her thanks to the MWOQA for being chosen as the first Goertzen Award recipient and to "the Holcomb Girls" for accepting on her behalf. She also thanks **Dee Hawkes '54**, **LD Zobrist '62**, **Kim Turner '61** and especially **John Hennes '51** for their guidance and support in helping her keep the Grizzly spirit alive and well.

**Coach Walt Milroy (QA from 1947-59)** was honored with his second Edo Vanni Spirit Award (he won in 2011). The award was presented by **Ralph Vanni '54**, nephew of the late **Edo Vanni '37**. Many of those present had baseball stories to tell about Coach Milroy. Milroy himself played against teams coached by Edo Vanni. Other Grizzlies present who had coaching careers were also recognized, including **Dee Hawkes '54**, **Bob Morris '58** and **Gary Snyder '57**, along with **Don Lundberg** who coached at QA in 1960.

The MWOQA Scholarship for 2013 was awarded to Nathan Lorentz, son of **Doug Lorentz '72**. Nathan will be enrolling in Wesleyan College and playing baseball. A surprise visit was made by **Peter Jobs '58**, who is wheelchair bound following a stroke. He was accompanied by his wife **Sue (Harris) Jobs '59**. The crowd stood and gave Peter a singing 74th birthday ovation. This was followed by **Ben Moyle '51** singing *God Bless America*. What a special moment!

Dee Hawkes was again emcee for the event, and as always did an outstanding job. **Craig Smith '69** and **Scott Stevens '69** assisted and awarded prizes to attendees, including an autographed basketball signed by **Bob Houbregs '49** that was won by **Jack Hendrickson '59** and an autographed copy of Dee Hawkes' book, "Football's Best Offensive Playbook", that was won by **Roger Jensen '61**.

Thanks to all of you who wrote in commenting about the KUAY last summer. It would take an entire issue to list all of you – maybe that isn't such a bad idea... Hope your holidays went smoothly, or at least safely.

### 50 Years for Class of '63 by Jackie (Moore) Zobrist '63

The Class of '63 held our 50th class reunion on September 6 - 8, 2013, a three day affair. Friday night was held at the Yarrowood Recreation Center in Bellevue, which has been used as an informal gathering spot for the last three reunions. We had well over 150 classmates and guests attend to enjoy the food, drink, conversation and wonderful weather.

The more formal Saturday night event was held on the Seattle waterfront at the Bell Conference Center near pier 66. Over 185 attendees enjoyed the expansive indoor and outdoor space of the venue overlooking the water and Seattle skyline. A commemorative coffee mug was given to each attendee, where a wonderful sit-down dinner was served. A short program was presented along with a video presentation of classmate photos from the past and present. A special memorial dedication was given for the recently deceased classmate, **Rich Malsed**, past Chair of the class committee and of the overall alumni association.

On Sunday, a picnic was held at Magnolia Park where many of us "hung out" in our youth. Those who were able to come enjoyed a reunion cake in addition to what they brought to share.

The 90 page memory book of the event has been produced in color and will be mailed to classmates in January. Let us know if you haven't received yours or would like to order one.

"There is already interest expressed by classmates for having another reunion in five years," said Committee Chair, **Ann (Carlson) Kivimaki**, "and we are delighted with the positive response to what we accomplished."

### Class of '58 Holds 55<sup>th</sup> Reunion

By Vicki (Weiss) Foreman '58

Sunshine and glistening waters greeted the Q.A. Class of 1958 as we celebrated our 55<sup>th</sup> reunion at the Shilshole Bay Beach Club on October 5<sup>th</sup>. After a sumptuous catered dinner of either salmon or chicken, we were treated to music provided by the championship quartet, "Cheers". One of our classmates, Skip Daniel, is the newest member of this barbershop-style group. There were few dry eyes as they closed their mesmerizing performance with a nostalgic rendition of the Queen Anne Alma Mater. Dancing to old familiar tunes followed in what was a most memorable evening.

### 40 Years for Class of '73

by Jim Hanke '73

Class of '73 had a great turnout. Over 200 people attended the 40th reunion at the Nickerson Street Saloon on Friday the 13th of September. Jeff Haas '73 donated his talents with great live music. Jesse Wineberry '73 hired out of his own pocket a photographer to capture the memories for all of us to enjoy. A lot of people attended a reunion for the first time and rekindled friendships from 40 years ago.

People came from near and far. Kiochi Ito now lives in Japan. He made the trip to Seattle for the sole purpose of attending his 40th reunion. Alaska, Florida, New York, Georgia, Hawaii, California and more were also represented at this memorable event. The Class of '73 was also able to donate \$1,000 to the QAHS Alumni Association for unrestricted use.

## QAHSAA Summer Picnic Rolls On

by Claudia (Kettles) Lovgren '65

There was a great QAHS grizzly bear feeding at Gas Works Park on August 25th. Over 175 Grizzlies were present and there was plenty of "fine dining" with so many wonderful foods brought by the alumni attendees. In particular the fare cooked on the grills by **Jim LePenske '62** and his brother-in-law Darwin Sizer, who store Al's grill and other supplies. **Kathryn Gaylord '63** and **Kim Turner '61** were also at grill side. It seemed like a summer Thanksgiving! Our thanks to Tully's on Nickerson for the coffee and tea.

They will all be out on the grills again next summer (date TBD) so please join your Grizzly alums for another feast!

### QA Grizzlies drive out of their dens in style!

This silver "12th Man" Porsche is owned by **J (Jean Stanley) DeBruler III '63**, who owns Accutint of Bellevue. J is truly a Seahawks fan, who enjoys letting people pose for pics next to his Seahawks-detailed 2007 Porsche Turbo. He recently completed a 4600 mile trip around the west, where he was greeted by Seahawk fans everywhere.

If you have a cherished "ride", let us know.

## Chidgey Vs Chigney

by Jack Chidgey '48

I graduated from Queen Anne High, class of 1948. My four years in high school were some of the best years of my life. We had wonderful teachers and everyone got along well with each other.

I had one problem with one teacher in that he never pronounced my last name correctly. The teacher's name was Mr. Hughes (M.J. Hughes, Industrial Arts) and I liked him very much. He always had an "N" in my last name. It was always, "Chigney, I want you to do this," or "Chigney, I want you to do that." I replied "Mr. Hughes please call me Chidgey" ... "Chigney, how would you like to see Mr. Farmer?" (Mr. Farmer was the Vice Principal. He made sure our school ran smoothly.) "No thank you, Mr. Hughes. I don't want to see Mr. Farmer." So for four years it was "Chigney".

One day in my Senior year, I was up in the fourth floor cafeteria and I saw a small piece of dry ice on the counter, and was it ever smoking! I wrapped it up in tissue paper and went down to study hall. Sitting in my seat, I pulled out the dry ice and put it in my mouth and started blowing smoke rings to the amazement of my fellow students. Mr. Hughes literally came unglued, came over to my desk and yelled "Chigney! Put out that cigarette, I want you to go see Mr. Farmer!" "I don't go see Mr. Farmer until you pronounce my name right!" With that, he reached over, grabbed my ear, and lifted me out of my seat! Out the door I went to the water fountain to clean my mouth out before going into Mr. Farmer's office.

Many years later I ran into Mr. Hughes at a downtown real estate office. "Mr. Hughes, how have you been all these years?" Mr. Hughes was very cordial and he replied, "And how have you been all these years, Mr. Chigney?"

### Bill Tobin '46 (1927–2013)

Like many students, **Bill Tobin '46** left Queen Anne High School to join the Navy during WWII. He returned to QA and graduated with the class of 1946. Bill joined the army reserves while continuing his education, which was interrupted by the Korean War. He served as a medic, receiving the Bronze Star for bravery. He returned to the U of W and upon graduation, he became a teacher and football coach at Foster High School. In his spare time, Bill designed and built furniture, a master craftsman!

Upon retirement, Bill became interested in the Queen Anne High School Alumni Association where he served on the alumni board and then served as President for six years. During Bill's presidency, many changes took place. Scholarships were extended from 3 to 17 (now 30). Our data base came of age with the computer, and more alums were found and now receive stories and events in the Kuay. The annual August picnic was moved to Magnolia Park, where Bill also served

## QA Alums Reunite in Des Moines

by Sherry (Peck) Moody '66

A warm sunny afternoon in July found me visiting seven QA grads who all reside at the **Wesley Homes Retirement Community** in Des Moines. This lively group didn't know of their connection to Queen Anne, until **Helen (Solid) Strong, class of 1936**, put out a few feelers recently. She also contacted me to say that this would make a great article in The KUAY, and here it is!

**Marion Kline** graduated in **1925**, **Doris (McClure) Linkletter '31**, **Helen (Solid) Strong '36**, **Gwendolyn (Jones) Whyte '46**, **David Ernst '49**, **Carolyn (Sherry) Lewan '53**, **Sheila (Wilson) Murray '62** and **Pauline (Williams) Trepus '51** (unable to join us). These remarkable Grizzlies graduated from college; 3 from UW, 1 from WWU, 2 from UPS, and one from SPU. That says quite a bit for dear old QA! (Hmmm, I wonder if there were alumni scholarships back then.) From there, two became teachers, one a librarian, an occupational therapist, a nurse, and a couple of clergy.

They talked about how long it took to get to school, back in those days. Helen walked 5 blocks, Marion walked a mile, Carolyn had a 30 minute walk, but the longest was Gwen who took several buses from Magnolia and it took over an hour. Marion was in the debate club and also worked in the library; Doris was the secretary of the Girl's Club, Helen enjoyed choir, as did Gwen, David, and Sheila. David was also on the championship baseball team. Sheila was the circulation manager of the school paper and a member of the International Rainbow Girls, with which she has remained involved. Carolyn remembers working on the school paper, too. Her aunt's father in law was the architect of Queen Anne High School!

Queen Anne High School, on the hilltop, yes, you bet we're here. And we have our team here with us, nothing to be feared... It was a delightful afternoon, meeting with some grizzlies who remember the good ol' days, and are enjoying life now!

## Angel Information

Our Association is funded primarily by donations, plus sales of merchandise and raffles. We are unique among alumni groups in not having paid memberships. Your gifts are greatly appreciated and needed not just to provide scholarships but also to cover the KUAY, logo merchandise purchases and miscellaneous expenses. All our efforts are by unpaid volunteers. In these difficult times we hope you can find a way to help the QAHSAA continue its mission.

We especially need unrestricted donations. All gifts, whether for scholarships or general operating costs, are tax deductible, in keeping with a 501(c)(3) tax exempt organization. Thank you for keeping the Grizzly legacy alive.

## McClure Middle School Celebrates 50<sup>th</sup> Anniversary April 5, 2014

by Craig Smith '69

Worth McClure Junior High School first opened in 1964. I know because I was a student in that inaugural year of 1964, in the 8<sup>th</sup> grade, and Warren Arnhardt was the Principal. The school's name was changed to Worth McClure Middle School in 1981.

Christine Karam, McClure Middle School PTSA co-president and parent, is working on the planning for the school's **50th year anniversary celebration**, which will be part of the annual McClure Mixer event and fundraiser to be held on **Saturday, April 5, 2014 from 6:00-10:00 pm at the Queen Anne Community Center at 1<sup>st</sup> Ave. W and W Howe St.**

The annual McClure Mixer event is a social event as well as one of two annual fundraisers benefiting many McClure student programs no longer supported by the District. In recent years they have had up to 220 guests at the Mixer, with food, drinks, music, plus a silent and live auction. Seattle Schools have moved back to the neighborhood boundaries recently and this is its 4<sup>th</sup> year as a neighborhood school with primarily Queen Anne and Magnolia kids feeding in from four local elementary schools.

Karam noted that fifty years is a great milestone for McClure. As with any school, McClure has had its ups and downs over the years, but with hard work and local support McClure has become very successful, thanks to the leadership of past Principal Sarah Pritchett, now Executive Director for Seattle Schools Central Region, current McClure Principal Shannon Conner, Assistant Principal Joyce Madison, and all the parents, teachers, students, and help of our community. **Former students are invited to join today's McClure families to mark the 50<sup>th</sup> anniversary on Saturday, April 5, 2014, from 6-10 pm at the Queen Anne Community Center.**

- Event tickets will go on sale in late January on McClure's website: [www.mcclurems.seattleschools.org](http://www.mcclurems.seattleschools.org)
- The planning committee would love to have fun facts and historical items for a "McClure through the Decades" display at the event on April 5<sup>th</sup>. If you have some memories, fun facts or historical items to share, please contact McClure parent and decorations chair, Kathleen Morris at [morris1617@msn.com](mailto:morris1617@msn.com).
- Community and business sponsors for the event are welcome, contact Christine Karam [chris.e.karam@gmail.com](mailto:chris.e.karam@gmail.com).

## QA Alums at Bayview Manor by Sherry (Peck) Moody '66

A quick search of the alumni database provided 13 residents of Bayview Manor, a retirement center on Queen Anne, as graduates of Queen Anne High School. A September visit resulted in this picture. In the back row, from left to right are: **Lillian (Brydges) Beste '31**; (the late) **Bette (Charouhas) Bebee '45**; **Marcelle (Reid) Hickman '38**; and **Alberta "Birdie" Adams '57**. The front row, from left to right: **Almeda "Billie" (Middleton) Pearson '38**; **Sherman Sloan '40**; and **Jane (Criddle) Slade '39**.

This group of lively Grizzlies had no idea that they had all graduated from the "school on the hilltop"! It was fun to meet them and listen to a few of their stories. Other residents of Bayview unable to join us that day were: **Randy Hokanson '33**; **Barbara (Anderson) Wehr '36**; **Kay (Hill) Stave '39**; **Mary Lou (Kirch) Nelson '39**; **Stuart Barker '49**; **Pat (Brooks) Bangs '49**; and **Mary (Martin) Body '49**.

as picnic chairman; bringing the picnic supplies and taking command of grilling hot dogs for the hungry Grizzlies. Bill also served on the Kuay editorial board.

**Betty (Charouhas) Bebee '45  
(1927 – 2013)**

If you saw Betty in the QAHS yearbook as a senior in 1945, and saw her in her "senior" years, you would recognize her for sure! She never seemed to age and always retained the twinkle in her eyes. She attended Coe Elementary before Queen Anne and lived on Magnolia for many years.

Betty served on the QAHS Alumni Association board for six years. Then, always eager to help, she greeted Grizzlies at events, sold merchandise at our booth during Magnolia Days, and kept busy in the "kitchen" and at the

registration table at our annual picnic, with her side-kick **Pat (Cunningham) Tewksbury '44**. We will miss her cheery smile.

**Jay Taylor (1919 – 2013)**

Before Jay Taylor arrived at Queen Anne High School, he served in the military during WWII, where he received a Bronze Star for bravery. Mr. Taylor taught Industrial Arts and Technical Drawing for 28 years. Craig Smith '69, recalls Mr. Taylor as an inspirational teacher. Craig "enjoyed his technical drawing classes. He could be hard but fair." Mr. Taylor and his wife Maurine were faithful guests at our luncheons for many years. After his wife's passing in 2010, Jay continued to attend and, at the age of 94, was a delight to talk with.

Marvin Hartley, also a QA teacher, told about Jay Taylor building a house

near Long Beach, WA. It was built with salvaged lumber, driftwood, and even pieces from Queen Anne High School, like a mailbox, as it was being converted into apartments in the 1980s. I wonder how many things we could recognize? Mr. Hartley recalled how beautiful the house was!

At the time of the Queen Anne High School Alumni Association Fall 2013 luncheon, Mr. Taylor was moving into the Garden Court Retirement Community in Everett. This is the same retirement center where Mel Waite's (QA coach and teacher) widow Lois is residing. Jay Taylor said he liked the facility—he liked the food, he liked the people, and he especially liked the valet parking, because at the age of 94, he didn't like to park! But he didn't like the \$3000 a month it cost! So now you can rest in peace.
