Bob Rois '55, Making a Difference

By John Hennes '51

Queen Anne alumni lost a

loyal supporter February 16, when Robert D. (Bob) Rois '55 suddenly passed away while on his regular mall walk at Northgate. Bob spent 22 years in the Navy, rising to Chief Petty Officer. After retiring he worked for many years at the Washington Athletic Club.

We knew him in the Alumni Association because of his many financial gifts to the alumni scholarship program, always in memory of his late wife Carol. Over the last 16 years he was able to gift \$59,000 to our program, thereby providing many students with scholarships and supporting the long term scholarship endowment (Legacy Fund) program.

I saw Bob at last fall's alumni luncheon and asked him why he had donated so generously all these years? His paraphrased reply reflected his straightforward approach to life. "I didn't have the chance to go to college and I

saw over the years how much that helped the people I worked with. I wanted to help others make that step."

Bob Rois made a difference, and we're all the better for it.

IT'S A REAALLY BIG GRILL

By Claudia (Kettles) Lovgren '65

A piece of QAHS dining / picnic history will be auctioned at the annual **QA alumni picnic** (August 26).

The famous **Al's grill** (for QA Grizzlies in particular) has been used at the alumni picnic for years. This memorabilia came from Al's Hamburger Shop (1926 -1971): Al Gordon, cook and proprietor. Al's was on Queen Anne Ave and Galer, with the last address being 1517

Queen Anne Ave N. For detailed history go to www.qagrizzlies.org/History/Al's_Burgers.htm. Years ago **Bob Guichard '50** rescued the grill and, with the help of others, it has been a regular at our picnics since 2003. Alas, we can no longer store and transport the grill and are looking for a home for it.

This will be a **silent auction to be paid by cash or check**. If you cannot take the really big (4 ft W x 6ft H x 2 ft D) gas fired grill with you it can be temporarily stored, to be picked up within 10 days. Don't bring a Mini-Cooper. Then you can put on a white hat and apron and grill just like Al. Feed some Grizzlies. Have a picnic!

President's Message

By Sally Villaluz
Ghormley '79

Hello, fellow
Grizzlies!

I'm excited,
honored and

grateful in becoming your newly elected President of the Queen Anne High School Alumni Association. I appreciate everyone's support and am looking forward to all of the opportunities.

I want to thank outgoing president **Sherry Peck Moody '66** for her leadership, service and guidance, as she will be missed. Please welcome new board members **Mary Cooke '79, Michael Warren '61** and **Shirley (Niebuhr) Kankelfritz '61**. Welcome back **Katharyn Gaylord '63**. We have an awesome team!

I also want to thank the officers for the coming year for continuing to volunteer their efforts to keep things going: **Kim Turner '61** Vice President; **Claudia (Kettles) Lovgren '65** Treasurer; **Maggie (Nichols) Birch '64** Secretary; and **Jackie (Moore) Zobrist '63** Corresponding Secretary.

Finally, our thanks also to **Carly Avery**, our editor/page designer for the last four years. She has kept the KUAY to high standards and we will miss her as she moves on (see the Help Wanted story to the right).

Save the date Sunday, August 26, 2018 for our upcoming Bears and their families' annual picnic held at Gas Works Park.

KUAY Needs Help !!

Your help is needed in finding a new **Editor/Page Designer** for the KUAY newsletter.

All our alums love to see the KUAY arrive in their mail. We send out over 10,000 of them, twice a year.

Our current editor, Carly Avery, has done an excellent job in producing this paper for the past four years, but she is moving on. We need your help to find a replacement, beginning with the next issue in Jan.-Feb. 2019.

The Editor takes the finished copy/photo inputs from the Editorial Board and lays out the page design to send to the printer. The layout is done with Adobe InDesign publishing software. The job, which is compensated, takes 10-20 hours each issue, over a one month window.

Do you know possible candidates in the Seattle area for this very part time job? Maybe a local graphics student or free-lancer? Give us a call or send an email with your suggestions to: John Hennes, historian@qagrizzlies.org, 206-284-2266 or LD Zobrist, info@qagrizzlies.org, 206-285-0582.

1930s: The Seattle Mariners honored **Al Jones '38** at their June 1st baseball game for his military service in WWII. Al's long flying career was profiled in the July 2014 KUAY. **Mary Evelyn (Stewart) Polley '39**, died January 14, 2018, age 96. Her daughter, Cladeen Clanton, sends us word from Norfolk, VA, where she has been caring for Mary E. for the past 15 years. Mary loved Queen Anne High School and talked about it and her friends often.

Larry Turner '55

1950s: **Larry Turner '55** sends word of the death of his sister, **Diane (Turner) Obermayr '54**, who died last year. Larry graduated from Stanford in 1961, celebrated his 51st wedding anniversary in 2017, and has spent most of his career supporting data processing installations in school districts. He retired in San Jose and moved to the Sacramento area, where he has taken up oil painting. He writes that he enjoys the KUAY newsletter.

1960s: **Carol (Peterson) Keaton '60**, died last year, July 20, 2017. She had a brilliant career, both in college, as Majorette for the UW Marching Band, performing at two Rose Parades, and eventually working at the Kingdome, where she would receive fame as "Kingdome Keaton." She served as Promotions & Media Relations Manager, Public Information Officer, Special Events

Coordinator, Kingdome Tours Coordinator, and Curator of the Kingdome Sports Museum. Her honors include winning the state championship in baton twirling as a high school freshman; winning the title of Miss Queen Anne in 1960 and becoming a Seafair Princess; in 1999, receiving the Royal Brougham Lifetime Achievement Award at the King County Event Producers Awards Ceremony; and in 2006, she became the second woman inducted into the Pacific Northwest Football Hall of Fame. **George Schofield '62** has spent recent years writing books to deal with aging – out of this field he and his book, "How Do I Get

George Schofield '62 on Times Square

There From Here?" appeared on the Nasdaq Tower in Times Square (seems like a proper site to have a Grizzly shine!) (See photo.) **Dan Ferrelli '64** and wife **Helen Stylianopoulos '65**, along with their son-in-law, own and operate EFESTE Winery in Woodinville. Dan has followed in his grandfather's tradition – making homemade wine after high school. The winery is located up on the Hill in Woodinville – ring a bell?? Queen Anne High School, On the Hill top.... Visitors are welcome at the winery – www.efeste.com. This all reported by **Jim Stipcich '64**. **Linda (Anderson) Wilson '65** received the Disney Store Spirit Award in July, 2017. This is the highest honor that a Disney Store Cast Member can achieve. Less than 1% of Disney Cast Members have received this pin. She has worked with the Walt Disney Company for 22 years. **David T "Dave" Fine '68** discovered his name on the list of "missing" from his class and wrote: "Omigosh. I'm not missing. I am right here in Charleston, SC. After 30 years in management at American

Airlines in Dallas, I retired. Now I'm working for Boeing, go figure. I also found time to teach college Philosophy and Comparative Religion in my spare time. My wife Karen and I have been married for 22 great years, and of course we travel. Three grandchildren, one in Florida and two in Bothell."

Sandra Dunn '70

1970s & 80s: **Sandra Dunn '70** was honored last February for 25 years of work at the Pike Place Market community. As Outreach Social Services Coordinator & Resident Advocate, she helps her clientele with whatever they need to maintain healthy lives. She is a case manager, a life coach, a sympathetic ear, and a tireless advocate for her clients. She loves continuing her work in the Market Community. **Gary Grant '72** writes: "I've been married to Lesley for 42 years. Our son lives in McMinnville OR with our new grandson; our daughter Nichole lives in Denver. After 35+ years in the Hospitality Industry and living all across the U.S., we settled on the Oregon Coast to be close to our family and new grandson. I am General Manager of the Embarcadero Resort Hotel & Marina, Newport, Oregon." **Brad Wilson '72** reports severe vandalism to his buses that went beyond his ability to restore them. He is in a rough financial situation and needs income. He hoped to drive for Uber, but needs a car. He lives on his boat, but it is too old to be financed for help. If he sells it he no longer has a home. (What a senseless act to destroy his livelihood.) 2018 Spring Luncheon Included Annual Meeting

By Claudia (Kettles) Lovgren '65

The QAHS Alumni Association spring luncheon was held April 29th at the Seattle Yacht Club. The room with a view (boats...) was filled with alumni and teachers. Teachers **Paul Volkman** and his wife Patricia, **Dan Walther** and his wife Ann and **Bob Brubaker** with his daughter **Shawna (Brubaker) Davis '79** were in attendance. VP **Kim Turner '61** noted the passing of teacher **James Scott**, from the 1950's

Evangeline Starr '12

In his after lunch remarks Kim Turner focused on two notable QA alumni in particular: teacher **J. Harlan Bretz** and student **Evangeline Starr '12**.

J. Harlan Bretz, faculty suggested Eastern Washington's Channeled Scablands (rough topography) were formed by catastrophic floods from the ice break-up of prehistoric Lake Missoula's ice-dam, releasing huge waters which flowed down the west slope and carved out valleys, waterfalls, etc. Aerial photography later proved his theory correct, but by then there was no one left over whom he could gloat. His enemies were dead. See, you even get scientific information in the KUAY!

Judge Evangeline Starr, class of 1912, was the first female judge who graduated from QAHS and only the second female judge from King County. She served as a King County

J. Harlan Bretz (1882 -1981) was a science teacher at QAHS in 1909-11. He was the geophysicist who first

Justice for 30 years, continuing as an attorney until the late 1980's. She was a longtime advocate for women's rights. She died in 1990 at the age of 95.

Claudia (Kettles) Lovgren '65 led the annual meeting for the re-election of board members up for new terms along with new board members (see President's Message).

The raffle for the gift baskets was held with winners being: teachers Dan Walther and Paul Volkman along with alums **Alecia Nowak '66, Rita (Schor) Leshner '64** and **Melanie Ernst '81**. The 50/50 winner was **Sally (Bykerk) Brown '64**.

The lovely luncheon ended with the usual singing of our QA Fight Song and our Alma Mater. Come sing and dine with your fellow QA Grizzly grads at our next luncheon!

Queen Anne Invitational:

The Annual Spring Event at Whitehorse Golf in Kingston, WA was canceled due to lack of interest. Or to put it another way, lots of our regular players were busy with other commitments at that time. A couple of stalwarts from the class of '59, **Jim Wolf and Bob Hawkins** did sign up early, but "alas", were not sufficient to hold the contest. I have no doubt they would have brought home the trophy.

Annual Bob Houbregs Queen Anne Classic

This fall classic is also scheduled for Whitehorse Golf. The day will be Monday, September 10 at around

noon. The price will be around \$75, and includes range balls, cart, green fees and a hot dog. This event will be limited to the first 28 golfers to sign up. Players need to contact **Roger Jensen '61**, self-proclaimed "Commissioner of Queen Anne Golf" at either 206-354-5478, rogerjensen@cbbain.com, or c/o Coldwell Banker Bain, 1200 Westlake Ave N # 406, Seattle, WA 98109, or just catch up with him on any local golf course.

Annual Christmas Luncheon

We are planning to meet again this year, on Thursday, December 27, two days after Christmas. The committee, which includes **Dee Hawkes '54, Roger Pinneo '53, Emmett Byrnes '54, Dan Fresonke '53** and other notable grads, will

meet in June to nail down the details. We are all getting older, but we still have to eat; so stand by for more details. If you get anxious, call Roger Jensen. He may not know what is actually happening, but will be happy to hear from you. That's all for now....CHEERS !

It is modestly located on the northwest corner of Third Avenue and Cedar Street in the outskirts of Belltown. One of the last one-story buildings in the area, but the heart of city maps created and added to by three generations plus, and the merger of Kroll and Metsker Maps into one agency which can provide maps of the city, county and region. Carl Kroll started the one firm. It is now 106 years since it began.

The current location was acquired in 1975 and looks to be continuing for at least one more generation, due to **John Locker's '73** stewardship. John worked from his youth steadily at the firm, continuing to provide both updated maps and copies of many of the earlier maps showing the growth and development of Seattle and its environs. Most of these maps are also found at the Seattle Collection in the Downtown Seattle Public Library, but the best copies to own are still available at Kroll.

What will become of the mapmaking business when John retires? That is for the future to decide, and for us to lament. If you wish to learn more about Seattle's maps, stop by the company Monday-Friday and visit. You may also read the well-written article which appeared in the Pacific NW Magazine in the Seattle Times for March 25, 2018.

Fall Luncheon Set for Oct. 27

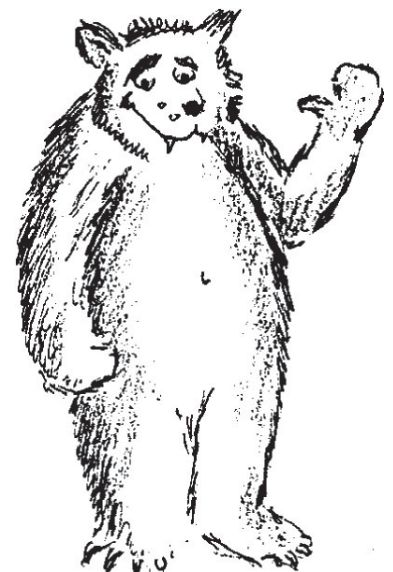

By Jeri Samuelsen '63, Event Chair

Start your planning for the **Queen Anne Alumni Fall Luncheon on Saturday, October 27, 2018**. The Fall Luncheon, now in its 37th and **final year**, will be held at the ever popular Seattle Yacht Club. Enjoy the view with the beautiful fall colors. It starts at 11:30 am with a no-host bar, with time to buy raffle basket tickets and QA logo items.

This is always a great time, with old and new friends and some of our teachers and their spouses. **The cost is again \$35**. Because the Annual Meeting has been moved to the Spring Luncheon, the annual election of new board members is no longer part of this luncheon. Hope you can come. Bring a friend.

This year's meal choices will be: Roast Turkey and all the extras, Seafood Crepes, or Vegan Polenta Cakes with steamed vegetables. Salad, rolls, coffee and tea are included.

See coupon on page 14 or register online at www.qagrizzlies.org. Registrations are due by **Oct. 19th**. Questions? Please call Jeri Samuelsen '63 at 425-791-5885.

GRIZZLY ANGELS

Our Association is funded primarily by donations, plus sales of merchandise and raffles. We are unique among alumni groups in not having paid memberships. Your tax deductible gifts are greatly appreciated and needed not just to provide scholarships but also to cover the KUAY, logo merchandise purchases and miscellaneous expenses. All our efforts are by unpaid volunteers. In these difficult times we hope you can find a way to help the QAHSAA continue its mission.

REUNION RECAPS

Off-Year Reunions

Many classes are starting to hold reunions based on major birthdays rather than decades since graduation. The theory is that time is fleeting...why wait. Below are three examples from the classes of 1954, 1957 and 1970.

1954 Class Reunion Package

By Dee Hawkes '54

Nothing binds us one to the other like a class reunion. The QA class of 1954 approach is to do one every time we feel like we need one. We operate on the fast track, a dramatic departure from holding one every five years. When we zero in on one, it's because as close friends we want to see each other. Last year, the reunion committee had a Christmas party at the home of **Joan (Kipper) Ruud**. Everyone brought something to eat or drink, and the event was highlighted by the singing of Christmas carols. This special gathering embraced the Christmas spirit.

For a glimpse about the way this works, being on the committee is to have a piece of the action, even if it's just making name tags. When it comes to committee members there is no limit. Right now there are at least 19 classmates on the committee.

We've been seeing a lot more of each other since we all turned 81. You shouldn't be surprised, but we're all huggers. It won't be long before we'll be motoring down memory lane this spring or summer on Camaro Island at the Goodenough pad. If you would like to take part contact: **Storm (Jobs) Yanicks** class54@qagrizzlies.org, 206-232-8096; or **Dee Hawkes** hawkes32@comcast.net, 425-485-5665.

1957: Yearly Luncheons

By Janet (Hannon) Mutter '57

The QA Class '57 celebrated their 61st reunion with a luncheon at Anthony's in Des Moines, WA on Wednesday, May 23rd. Forty people attended the event. One classmate came from Pittsburgh, PA. The menu was great and committee members were allowed to bring desserts for a "dessert table". There was a unanimous decision to schedule a yearly luncheon to keep in touch. The Alumni Association was a great help in communication to classmates - so be sure you keep in touch with them for any address/e-mail changes.

1970 Celebrates Milestone Birthdays

By Jose Abiles '70

Once again the class of '70 celebrated a birthday milestone. Classmates got together last August 12 at the Ballard Elks Club to mark their entry into the Medicare Club and their 65th birthday. This is the second birthday bash the class of '70 shared together. It started 6 years ago when **Jose Abiles** and **Rosie (Rusin) Hardy** got the idea of getting classmates together between the reunion years and the class's 60th birthday seemed a logical excuse. The first party was hosted by Rosie at her house and a birthday potluck theme was established. The power of the internet was leveraged and a Facebook group was established to get the word out. Over 50 classmates and spouses attended this party called

"Still Great at 60". It was such a success that the classmates all agreed that they should celebrate again in five years.

The second celebration dubbed "Still Alive at 65" was also a hit and was attended by over 40 classmates and spouses. Those not able to attend were able to see the celebration via a Live Stream video on the groups Facebook page. An offshoot of these birthday celebrations has been the establishment of an informal quarterly get together in the Seattle area. **Mauricia (Cohen) Spring** has been the founder and coordinator of these events and has had great success bringing together classmates.

A class tradition has been born and the classmates are looking forward to their next birthday milestone. So in the year 2022, the Class of '70 will celebrate with "70 Turns 70". Planning for the event will begin shortly after the 50th Reunion. To stay in touch with your classmates look us up in Facebook QAHS Class of 70. If you need information or want to help with the next birthday contact Jose Abiles, Mauricia Spring or Rosie Hardy. Or write class70@qagrizzlies.org.

Grizzlies to Run Off Ants

Claudia (Kettles) Lovgren '65

Get out of your dens and lairs, dust off your furs and hides from the winter and head to **Gas Works Park on Sunday, August 26 from 11:30 a.m. - 4 p.m.** for the summer feeding at the **QAHS All Alumni Picnic**. Eat burgers from Al's Grill one last time (to be auctioned off at the picnic, see Grill Story), hot dogs, beverages and side dishes. Feel free to bring some Grizzly grub, too. We gladly appreciate donations to offset our costs.

And use those Grizzly paws to stomp out the ants!

Gas Works Park is located on the north side of Lake Union (Meridian Ave N. and N. Northlake Way) and parking is available. Visit www.grizzlies.org for directions.
