## President's Message

By Janis Bridges Jenkins '69

President, Jan (Bridges) Jenkins '69

As we see 2024 in the rearview mirror, we look to 2025 with optimism and anticipation. I wish each of you an amazing, healthy and

memorable 2025.

This past year has seen changes in your Alumni Board. We all were saddened by the passing of Shaun "Kerry" McMahan '54 in October 2024. Kerry served as Chairperson of your Scholarship Committee since its inception, and did so with total dedication. Kerry left a marked legacy on this Association and we will miss him tremendously. We are very pleased however to announce that board member Allister "Al" O'Brien '62 has agreed to serve as Chairperson of the Scholarship Committee.

In August our Annual QA Picnic at Magnolia Park was a big success with about 130 attending, some for their first time. If you have yet to attend this annual event, please join us for the August 2025 picnic. The date will be announced later.

We still have openings on your Board that need filling. Please consider becoming involved. Our meetings are on Zoom at 7PM Pacific Time on the third Thursday of each month and usually last about 40 minutes. Your physical location is not an

issue. As an example, our Treasurer, Steve Haynes '61, lives in North Carolina! Extra hands and minds will make your organization more successful. As always, check <https://qagrizzlies.org/reunions.htm> for event dates and current information. Take care, be safe and stay well. Remember that Grizzlies are strong!

Respectfully,  
Janis

Happy 2025 all! I hope everyone had a great end of 2024! The second half of my year last year was great. I went to the Oregon Coast with

my family at the end of the summer, which we've been doing every year since I was a baby. It was really nice to take some time off and enjoy the coast with my family, one of my favorite places ever!

I am still working at the same commercial real estate company as a marketing specialist, and we had a great finish to the year. It's been tough taking on so much responsibility when they got rid of the rest of the marketing team as we got acquired in 2023, but I feel like I'm finally getting the hang of things there and coming into my own!

I worked a couple of makers markets this year as well for my small business, which were fun as always. (Local artisans sell their wares at "makers markets".) I expanded into some other art mediums as well, and made a lot of felt ornaments for the holidays which were a huge hit. I've also started making more embroidery pieces as well, and I've loved working with some new art mediums and expanding my creativity even more. If you're curious, please feel free to check out my work at [linktr.ee/roxikodesigns](https://linktr.ee/roxikodesigns)

## Acknowledgments

Every year we thank our alumni board and other volunteers who keep us going. None of our alums are paid for what they do. All Grizzlies owe these people many thanks. Without them there is no alumni association. We also acknowledge the following supporters. We need all of you. Please join in!

**Kindnesses—Our Thanks to:** **Robert Wilson '67, Beth (Wassenberg) Guislin '67, Pam (Lohrer) Lucarelli '61, Terry Howard '52, Ardena (Bramwell) Pendleton '56, Pat (Sykes) Ronhaar '47** and the **Class Committees** for continuing to screen newspapers for the death notices used in our Memorials. We appreciate all those who write us about our fellow alumni passages.

**Memorabilia Gifts—Our Thanks to:** the late **Kerry McMahan '54**, who donated basketball tops & shorts, Last Hurrah beer mugs, QA ball caps, and yearbooks 1951-55, **Raylah E (Burns) Holm '65**, who donated a 1961 commencement program and a grizzly guidebook, Susan Nolan who donated a 1949 yearbook, and **Allan Shelly '68** who donated a yell sweater. Also, we acknowledge receipt of a 1949 yearbook, commencement program, tassel, QA 1949 pin, and news clippings.

Special Thanks to: **Beth (Wassenberg) Guislin '67** and **Gail (Hobson) Martini-Peterson '62** for KUAY technical and content assistance.

**NOTICE:** *The alumni archives (a storage locker) are overflowing. Please call or write before you send us memorabilia. Contact: [historian@qagrizzlies.org](mailto:historian@qagrizzlies.org) or [info@qagrizzlies.org](mailto:info@qagrizzlies.org).*

## Grizzly Goodbye

It is with great sadness that we notify you that our past Board member **Jeri Samuelson '63** passed away on Thursday, July 25, 2024 in Richmond Beach, WA. Jeri was a Board member for many years, joining the Board in 2008 and continuing through 2021, and leaving for health reasons. She served as Recording Secretary and Events Committee Chair and has been greatly missed.

## Proclamation for Shaun (Kerry) McMahan '54

The Legacy of Queen Anne High School and all the memories shared by the thousands of students who walked the halls from 1909 to 1981 is the product of those few people who have gone above and beyond the call to maintain the memory and ensure the Alumni Association continues the Spirit into the future

with dedication and hard work on the Alumni Association to bring alumni together with events, reunions and newsletters, and to promote education through Scholarship giving.

We choose to honor one member of our Alumni Association who has made a major contribution to our Board of Directors for the life of this organization, the late Shaun "Kerry" McMahan, Class of 1954. Kerry, as a founding member, has left his mark with the many ways he has worked diligently to help achieve the organization goals. His work from the beginning as Chair of the Scholarship Committee has greatly enhanced the accomplishments of our organization.

We are saddened by Kerry's passing and very grateful for his many years of commitment and contribution, and we greatly miss his wisdom and participation. In his honor, the Alumni Association now creates the Kerry McMahan Memorial Scholarship to be given annually hereafter.

## Grizzlies Avoid Damp Fur Coats

By Shirley (Niebuhr) Kanklefritz '61

We had a ferocious thunder and lightning storm on Saturday night, but the weather forecast for rain did not materialize during our picnic in Magnolia Park on August 18th last summer.

We had perfect picnic weather, bright sunny skies and balmy temperatures! The rain waited until the picnic was over, but at 5 pm the rain and thunder began again.

Sales of Queen Anne memorabilia were brisk, so we are keeping Grizzly alums well dressed.

We had 118 Grizzly attendees, which included 42 attending their first all-class event along with six veterans. There were 14 guests.

Special thanks to all the people who stepped forward and volunteered to make this event possible. **John McClintock '66** provided an extra barbecue and was the hotdog griller. Additional Grizzly volunteers were **Dorie Nussbaum '73, Maridel (Fliss) Whitman '73, Linda Brandolini '72** and **Zoye (Fidler) Marinopolou '74**.

The Magnolia Historical Society came with a table of maps and pictures. **Monica Wooton, Dee St. George** and **Brian Hogan '71** helped with cleanup. The MHS has launched Book IV-Magnolia: More Memories & Milestones. Do you have stories of Magnolia's history? Contact Tab Melton [tabmelton@yahoo.com](mailto:tabmelton@yahoo.com).

We shared memories and delightful stories. Hope to see more of you at our future events.

## Here's To The Queen Anne High School Class of 1965

By Dorothy (Byers) Salmon '65

This coming August 2, 2025 will be the Queen Anne High School Class of 1965's 60th Reunion! YIKES!

Sometimes, it's hard to believe that sixty years have flown by pretty fast, but they have! While all of us agreed that we took most of our years at Queen Anne for granted while there, we all recognize now how lucky we were, and sadly, our 1960's public education experience is rare today.

We realize it is a gift to reconnect with friends after a loooong time, a gift we never take for granted! If you are a 1965 classmate, please join us on August 2, 2025 for our reunion luncheon at the Seattle Yacht Club, a place other QA classes have shared great memories. We will have a fabulous afternoon of food, music and good vibes from noon to 3:00 pm.

We are looking forward to a packed and joyful luncheon of 80-100 seventy-eight year-olds who are happy to be together. Call your Queen Anne pals and get them to join us, too. Our 60th Reunion would not be possible without the incredible volunteer dedication of LD and Jackie Zobrist. They have made the KUAY newsletter possible and guided many of the class reunion volunteers to successfully design great get-togethers.

Our 60th Reunion invitation is included in this Newsletter, and for email savvy classmates, we will email you another invitation in February indicating how you can reserve your place at our 60th Reunion Celebration. If you would like to donate to our reunion fund, we would be forever grateful. Thanks to Glenn Mounger and Dorothy Byers Salmon for sponsoring our Seattle Yacht Club Reunion luncheon and Meeting Rooms. Go to our website

Reunions page for the latest details and to donate: [class65@qagrizzlies.org](mailto:class65@qagrizzlies.org). Join us in August. It can be your Valentine's gift to yourself!

Al O'Brien

## New Alumni Association Board Member

By Claudia (Kettles) Lovgren '65

The Queen Anne High School Alumni Association gratefully welcomes **Allister "Al" O'Brien '62** as our newest board member. Al is now the chair of the Scholarship Committee, which was so skillfully managed by the late **Kerry McMahan '54**.

Al has provided the following to let us know about him and his service to our state and country:

I was a few credits short when my class graduated in 1962, so I went to Summer School at Edison Technical School (now Seattle Central College). After my last day of class there, I went straight to the Marine Corps recruiting office downtown and enlisted. After bootcamp I was assigned to an infantry unit stationed

at Camp Pendleton, California. My unit spent time over the next two years on Okinawa, mainland Japan, Taiwan, Hong Kong, and aboard navy ships in the South China Sea. We made an amphibious landing at Chu Lia, Vietnam, Aug. 14, 1965. I was in combat in Vietnam for 9 months, returned to Seattle and was discharged from active duty at the end of September 1966.

Back here, I worked for Boeing, but only for 6 months. The Seattle Police Department hired me on June 29, 1967.

While at the police department, I started school at Seattle University (Fall of 1969) and spent 7 years at Seattle University getting a BA in Sociology and an MA in Public Administration. The Chief of Police then took me off the street and put me in his office where I wrote department policy for 3 years. During this time, I was also the department liaison to the city, county court systems and the King County Jail.

While still with the police department, I started teaching school at City University of Seattle. I was living in Mountlake Terrace in 1991 when I was elected to the Mountlake Terrace City Council where I served for 5 years and then was asked to run for the state legislature. I was elected to the House of Representatives in 1996 and retired from the police department - having served for twenty-nine years. In the House, I chaired the Criminal Justice & Corrections Committee for 10 years.

I was hired by Seattle University in 2006 to teach a course entitled Criminal Justice Legislation and Policy. Eventually, I found myself teaching full-time there; my courses included Introduction to Criminal Justice, Forensic Science, Law, Justice and Society, Restorative

Justice, and others. I left the legislature after 14 years where I often worked across the aisle in an effort to create good public policy. I worked well with the other party.

Finally, I retired from teaching at Seattle University in June 2024. I am here looking for a volunteer activity/assistance for the Scholarship Committee is greatly needed. Please contact; [scholarships@qagrizzlies.org](mailto:scholarships@qagrizzlies.org)

## 50th Reunion – QAHS Class of 1974

By June (Erdman) Bartell

The Class of '74 enjoyed several events to celebrate our 50th reunion on September 6th & 7th to reconnect, share memories and have some fun!

Our weekend began with a casual Friday afternoon grad happy hour at the Highliner Public House at Fishman's Terminal. About 45 grads & guests enjoyed a beautiful sunny fall afternoon on the patio as classmates shared memories and updated each other about their lives. By the end of the evening, we knew this weekend would be special!

On Saturday, the Queen Anne Condo Association lead 2 tours of our old school building including places most of us had never seen during our school years – which included the boiler room and the mysterious space behind the 'secret door' to the 5th floor! Many 'secrets' were also revealed by classmates as they relived memories that they had not fessed up to during school. The building has been transformed into a beautiful sanctuary preserving its historical presence and includes a museum showcasing QAHS history. The tours culminated on the rooftop

## Mr. Bob Cathey, Choir Director, Had a “Noted” Life

By Gail (Hobson) Martini-Peterson '62

Robert Lewis “Bob” Cathey, Queen Anne High School choir director, died September 8, 2024. He was born in Seattle, October 11, 1928, graduated from Queen Anne, and lived most of his life on Queen Anne Hill with his wife, Norma Cathey, who also taught school at North Queen Anne Elementary. He attended and graduated from Seattle Pacific College, now Seattle Pacific University, in 1950 and attended the church there.

Mr. Cathey taught in several Seattle schools including Nathan Hale High School, Marcus Whitman Junior High and McClure Junior High before moving to Queen Anne and then Franklin when Queen Anne closed in 1981.

With his first wife, he had 2 daughters and a son. Following the death of his wife, he married Patricia. With her they together lived 10 years in the Warm Beach Senior Community where he passed on.

**Cindy Sheridan Montzingo '82** (Franklin) Cindy attended Queen Anne but as a Senior was moved to Franklin. “Mr. Cathey has a

patio that boasts an expansive view of the city. A special thanks to the Queen Anne Condo Association for allowing us to return to our school to see its transformation.

Culminating our reunion weekend, the festivities continued on Saturday night at Dockside at Duke's on Lake Union. It was an absolutely magical evening as we enjoyed a social hour on the patio, a delicious dinner, and an extremely lively program. Speakers included Randy Boroughs (who also acted as our program MC), Steve Wallin, and Mark Horman – one of our original graduation speakers. Instead of another speech, Mark literally stole the show with a banjo sing-a-long that had the entire room singing! The evening was clearly turning into a songfest as Linda Seay (Bob's wife) led us in song with our Alma Mater and favorite fight song. The Grizzly Spirit was certainly alive and well on Saturday night.

A streaming slideshow throughout the evening highlighted the relationships that have been formed throughout the years as classmates

watched and reminisced with each other. Photo poster boards of previous reunions and QAHS memorabilia were enjoyed, and a special memorial board was created for those classmates that now live in our memories. During the program a champagne toast honored our classmates that we had lost.

We also 'Passed the Band Hat' (an actual band hat from the school's archives) and collected donations to generate seed money to plan our next reunion. A big 'Thank You' to everyone who donated that evening as well as those that donated in advance or provided in-kind donations to offset the costs of the reunion activities. You are very much appreciated!

Our Saturday night event was videotaped and we are happy to announce that the video will be available without charge to our entire class whether they attended the reunion or not. We think everyone will especially enjoy the interviews and photos included in the video. Instructions for viewing or downloading the video will be available on the alumni association's website, or you can contact us at [class74@qagrizzlies.org](mailto:class74@qagrizzlies.org) for assistance.

Special thanks go to our reunion committee that worked tirelessly behind the scenes to organize these events: Debbie (Drexel) Slotvig, Lori (McIntosh) Handschin, Peggy Gjerset) Campbell, Chris (Finseth) Haldane, Bob Seay, and Kirsti (Kivimaki) Dunn. Many have been organizing our reunions since our very 1st reunion in 1984! We would also like to acknowledge another member of our committee that we lost in 2021 – Judy Turner. She was a vibrant committee member that we miss dearly.

The reunion committee is always excited to hear from you. Please feel free to reach out to us with your photos, questions, and updated contact information at [class74@qagrizzlies.org](mailto:class74@qagrizzlies.org). We are looking

forward to seeing our classmates again in the summer of 2029 for our 55th reunion!

great rumbling laugh that filled the room, but he was strict and expected everyone to focus and work hard. We sang everything from commercial jingles to soaring hymns. He took us on some great choir trips and competitions. He and Norma invited the elite choir into their home. The choir became the chorus for the final QA musical, which was so fun. He helped us run a talent show fundraiser and taught us how to run the sound system. I was very involved in high school, but he created a community that made the choir room home."

### Rhonda Mead Bellinger '81

"What an Amazing man and great teacher! I loved this man. As much as we would cut up in junior high, he always was so nice. We were all blessed to have him for a choir teacher at McClure Junior High."

Lucy Kay Osborne "Mr. Cathey was my choir teacher at Nathan Hale High School, Seattle, 1970-1973. He was funny, talented and got so much music out of us. I did some accompanying for the choir and he inspired me to teach public school music."

# GRIZZLY ANGELS

Our Association is funded primarily by donations, plus sales of merchandise and raffles. We are unique among alumni groups in not having paid memberships. Your tax deductible gifts are greatly appreciated and needed not just to provide scholarships, but also to cover the KUAY, logo merchandise purchases and miscellaneous expenses. All our efforts are by unpaid volunteers. In these difficult times we hope you can find a way to help the QAHSAA continue its mission.
