

QAHSAA 2020 Scholarships

By Kerry McMahan '54

Our 38th annual scholarship competition resulted in 32 scholarship awards of \$1000 each, made possible by the exceptional generosity of classes, reunion groups, individual donations and the collective donations of many Queen Anne alumni. The results have been pushed out to this KUAY because of Corona-19 pandemic issues.

There will be no scholarship program this year, 2021, due to Covid-19 constraints (see story).

Those interested in competing for a 2022 award should check for **updates on the Alumni website** and download the application from the QA website next winter, taking great care to follow the completion instructions for the application form and the cover letter. QA Alumni Scholarships are limited to high school graduates, trade school applicants, and university undergraduate students only. The deadline is expected to be March 31, 2022.

Scholarships Suspended For 2021 Season

continued from page 1

Seattle is still under rules disallowing in person meetings and the student applicants from 2020 have had great difficulty in providing timely data from their schools. The result is that the scholarship awards for 2020 were not completed until January of 2021.

It is our plan to resume the program at the beginning of 2022. Remember that applicants can be college undergrads as well as high school seniors and others as outlined in the Policies on the website, www.qagrizzlies.org.

Who's News, Winter 2020-21

By Kim R. Turner '61

1914-1980 Football

Brian Barnett, local author, has just released his work, "The Numeric History of Seattle High School Football, 1914-1984." This is available through **ShorelineSpartans.net** at a price of \$22.50. This comprehensive history of Seattle high school sports is the first in a series dealing with all the results from each sport. In 2021 he will finish and release the next volume, covering both baseball and basketball.

1950s

The passing of **Dee Hawkes '54** is noted in a separate story. But his coaching career also included a stint at Queen Anne in 1967. He led the 1967 QAHS Sophomore basketball team to an undefeated championship season with 16-0 record. **Craig Smith '69**, who was on that team, sends us this story and notes that although Dee was known as a successful football coach, he showed his excellent coaching skills with these young Grizzlies, proving a good coach can coach any sport to victory.

Dan Haw '56, sent a donation and writes that, after success in real estate, he and wife Joyce now live in Wenatchee, a "low-key" life.

Stan Chapple '57

Stan Chapple

'57, died in Sequim, WA on November 13, 2020, of complications from multiple myeloma. Our sympathies to **Patti (McIntosh) Chapple '57**, and family,

and to **Doug Chapple '57**, his wife Emmery and family. It's never easy to lose one's beloved, but it hits us all when the deceased has been a model for the ensuing generations of alums. Stan was an integral part of the 1959 and 1960 UW football teams which won successive Rose Bowls over Wisconsin (44-8) and so-called national champion Minnesota (17-7) in the 1960 and 1961 Rose Bowls. He and twin Doug kept the Grizzlies with winning seasons in 1955 and 1956.

Marian Hailey-Moss '58/59, has written another book. This one, "Max of San Francisco," is inspired by former classmate **Eric Charles "Chuck" Dege '58**, and tells tales of his work at the chic beauty salon at San Francisco's Fairmont Hotel. Chuck is now living in Palm Springs.

Nancy (Gould) Hilliard '58

writes to her classmates: Although we had to cancel the in-person 2020 celebration due to Covid19,

"The Griz" still toasts us all and suggests looking up a few friends in the updated directory recently mailed to you. Our connections remain strong. Carry on!

Kathy (Kirch) Holden Koval '61 and Larry Cain '59 at Larry's 80th birthday

Larry Cain '59 celebrated his 80th birthday this year with his wife **Teresa (Richardson) Cain '61** and neighbors **Kathy (Kirch) Holden Koval '61** and **Roy Koval '59**. They live in Crescent Bar on the Columbia River, near Quincy, and are sick of this virus (as are we all).

1960s

Marv Wilson '60, sends a note from Bellingham, WA, after ordering Grizzly gear. "My wife just rolls her eyes—Ballard High School has nowhere near the esprit de corps that Queen Anne has."
